Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. TOBACCO CULTURE

A writer in the Strathroy Age says: Round about Glencoe farmers are cultivating great fields of tobacco and sugar beets. About twelve miles from Glencoe we stopped to watch Belgians at work in tobacco fields. We were told the farmer had 20 acres, which would yield him \$1,000 an acre. A large building was being erected with cement foundation where the leaves were to be dried. The workers, three men and one woman, saw us watching them. We were especially interested in the swift movements of one man whose long knife sparked in the sun as with graceful strides and swift movements he bent forward and caught the leaves with one hand and with the other cut them down. We did not realize his spectacular movements were for our benefit until he dropped on one knee and waved his knife toward us. I pulled a white cloth from the motor pocket and waved it in greeting.

Bothwell Times:—A chauffeur went to sleep near Wardsville and his car plunged down into a deep ravine. The daily press reported the accident but failed to say what caused the sleep. It would be safe to bet, though, that if his slumber at the wheel was the result of drinking too much coffee the headlines would have been large and the truth told.

Internally and Externally it is Good.—The crowning property of Dr. Thomas' Electric Oil is that it can be used internally for many complaints as well as externally. For sore throat, croup, whooping cough, pain in the chest, colic and many hundred ailments it has curative qualities that are unsurpassed. A bottle of it costs little and there is no loss in always having it at hand.
