

PARAGRAPHIC.

HAVE YOU THOUGHT OF IT?

For four thousand years or more the world groined, suffered, and fumed about its corns, for there was no positive relief—no certain and painless cure until Dr. Scott Putnam gave to the world his great Corn Extractor. If there is suffering now it is a result of carelessness, for the remedy is at hand. Try PUTNAM'S PAINLESS CORN EXTRACTOR. It is sure, painless, and prompt. Beware of substitutes. N. C. Polson & Co., proprietors, Kingston.

The idea of planting edible nut-bearing trees where shade is desired is not new, but the suggestion is a good one.

FOR LIVER COMPLAINT.—Take a teaspoonful of Perry Davis' Pain-Killer in sugar and water three times a day, bathing the side and between the shoulders with the medicine at least twice a day, rubbing it in well.

Blackberry plants may be used as an effective and doubly valuable hedge by setting the plants in a single row at three feet apart.

A gentleman in a neighbouring town who had suffered two years with chronic diarrhoea and was so reduced that he could not walk, was cured and restored to sound health by Johnson's Anodyne Liniment. This Liniment is worth its weight in gold.

Seeds of wild seedlings will, as a rule, produce fruit very similar to the planted, but few of the cultivated sorts will reproduce themselves from seed.

SCOTT'S EMULSION of Pure Cod Liver Oil, with Hypophosphites.—For Throat Affections.—Dr. F. B. Philpott, Salisbury, Mo., says: "I have used Scott's Emulsion in glandular diseases, and Throat affections, with uniformly good results. It is the only preparation of Cod Liver Oil I use."

Iron or steel immersed in a solution of carbonate of potash or soda for a few minutes, will not rust for years, not even when exposed to a damp atmosphere.

THE SMITH MEDICINE CO.

Gentlemen,—I have made a trial of one box of Dr. SMITH'S GREAT GERMAN WORM REMEDY, with such good effect that I have no hesitation in recommending it to the public as a prompt and reliable medicine. In fact, those who use it once will always do so. Yours truly, J. HARVEY, 172 Cadieux st. Montreal, Dec. 9th, 1881.

M. A. Villiers has extracted from the remains of two cholera patients a well-characterized alkaloid. Its reactions and the experiments made with it he describes in the *Journal de Pharmacie et de Chimie*. In treating frogs with it, the most pro-

minent result was a slight and temporary decrease in the number of beats of the heart. Guinea-pigs yielded to its influence in the course of four days.

No female should attempt the toil and drudgery of washday, when it can be obviated by the use of James Pyle's unrivalled Pearline.

Begin the fight against insects on house and conservatory plants in the fall. Some green flies are sure to be lurking about the plants at this season.

The blighting effects of impure blood are sad to behold in those we meet day by day. This ought not and need not be so. Parson's Purgative Pills make new rich blood; taken one a night for twelve weeks will change the blood in the entire system.

Puttner's Emulsion.

KIND WORDS.

From the Medical Profession for Puttner's Emulsion.

Dr. Fixott of St. Peter's says:—In the course of my practice I have had occasion to prescribe Puttner's Emulsion, and judging by results, cordially recommend it to possess all the virtues ascribed to it as a medicine.

Dr. Jenkins of Montreal, thus speaks of Puttner's Emulsion:—I prescribe your Emulsion of Cod Liver Oil with Hypophosphites, largely in my practice with most gratifying results.

Dr. W. S. Muir, Truro, considers Puttner's the best in the market:—The great benefit I have received from your Cod Liver Oil Emulsion with Hypophosphites in private practice, induces me to give my testimony in its favor. I consider it the best and most palatable compound of the kind in the market. Truly yours,

W. S. MUIR, M.D., C.M., L.R.S.P. and L.R.C.S., Ed., Late House Surgeon P. & C. Hospital.

P.S.—I have been giving your Compound to a great many children after Scarlet Fever, and find it just the thing. They can take it when almost everything else will be refused. W. S. M.

Dr. Sinclair obtains excellent results by prescribing Puttner's Emulsion:—It is readily taken by patients who refuse the oil in its original form, and produces excellent therapeutic results. As an Emulsion it appears a most stable preparation.
