# JAP-A-LAC

The King  
of Household Finishes

THE secret of Japanese Lacquer has remained unsolved for centuries, and what is true of Japanese Lacquer is true of JAP-A-LAC—there are scores of imitations, but there is no substitute for JAP-A-LAC.

**Why?**

Simply because JAP-A-LAC is made from the **secret formulas** and by a **secret process** that the imitators of JAP-A-LAC have **tried in vain** to discover. Among the ingredients of JAP-A-LAC are especially prepared oils imported from China and rare and costly gums from far New Zealand, but the method of blending and manipulating these oils and gums is ours and ours alone. JAP-A-LAC is made by skilled hands under the personal supervision of trained experts and specialists. It is a product of **The Largest Varnish Plant in the World.**

A brush and a can of JAP-A-LAC are all you need to make your home beautiful. JAP-A-LAC makes old things new **and keeps new things from getting old.** It is so easy to use JAP-A-LAC that it requires no special skill. Any clever woman can produce beautiful results with JAP-A-LAC.

JAP-A-LAC is made in 21 colors and Natural (clear). JAP-A-LAC your woodwork, make your old furniture new, give it new life, new lustre and new beauty. JAP-A-LAC renews everything from cellar to garret. It has a thousand and one uses. It comes in all sizes. Don't spoil your furniture, woodwork or floors experimenting with any unknown article.
