WHAT PHYSICIANS SAY ABOUT CRUMB'S POCKET INHALER.
From a "Fellow of the Royal College of Surgeons."
"I consider the Crumb's Pocket Inhaler the most perfect of complete Inhaling Apparatus invented, and charged with the Quinoid Inhalant, the best treatment for any stage of Catarrh that can be given."
R. DIXIE, M. D., F. R. C. S.
St. Elizabeth's Hospital, New York City, September 23, 1874.
My Dear Doctor—Received your Pocket Inhaler sent me on trial. Have used them in my hospital and in private practice. After a fair trial I have no hesitation in regarding it as an important means for the relief and cure of Catarrh. Yours, etc.,
O. S. FAINE, Surgeon in charge.

The Leading Suburb.
It is no wonder the citizens of Toronto feel jealous of Parkdale's rapid growth. During the past few months she has made gigantic strides. Less than ten years ago property could have been purchased on Queen-street near the railroad crossings at 88 per foot. To-day with its block paved streets and avenues, street car and local train service, and lovely water front, property cannot be purchased at the same location for less than 250 per foot. In other locations a rise in like proportion has taken place. If you require a bargain in vacant lots, cottages or houses call on Thomas Edwards, the Parkdale real estate agent, No. 4 Queen-street, in C.F.R. ticket office, head of Subway stairs.
A Cure for Croup.
—It is a valuable fact for mothers to know that there is no better or more certain remedy for croup than Haggard's Yellow Oil used internally and externally. This handy household remedy may be had of any druggist. 246
They Deserve It.
—It is with pleasure we state that at the last Industrial Exhibition held here a Diploma was awarded to the Canadian Harness Co. of 104 Front-street for their harness. We hope this will stop the malicious talk that is being indulged in by the retail trade. Every set that the above Company sell is guaranteed. They sell 25 per cent. cheaper than any one else. 36
