

Golden Bear hockey team plays four game season opener at Winnipeg

The Golden Bear hockey team is off to Winnipeg for a four day, four game weekend.

Friday and Saturday they play their first two conference games

against the Manitoba Bisons. Sunday and Monday the University of Winnipeg Wesmen will be the Bears opponents.

The University of Winnipeg,

formerly United College, is playing only exhibition games against WCIAA clubs this season. Next year they will become official members of the conference.

Interim Bear coaches Ed Zemrau and Brian MacDonald have been forced to juggle their line-up in practice this week because of injuries and assorted other problems.

TWO HURT

Injured are defenceman Dan Zarowny and winger Pete Burwash. Zarowny hurt his shoulder in the Drumheller game while Burwash was the victim of a back injury at Monday's practice.

It is hoped both will be ready for the weekend's action.

A bombshell was dropped Tuesday when Wayne Wiste announced he might be forced to leave the team. Wiste, a grad student, is under heavy academic pressure.

The loss of the popular Moose Jaw product would deal a severe blow to the team's chances. A former University of Denver star, Wiste has been the Bears' top forward this season.

If Wiste doesn't make the trip, Jim Wilson from the Junior Bearcats will probably take his place.

Next home action for the Bears will be Dec. 1 and 2, against perennial rivals, the University of Manitoba Bisons.

STUDY TUTORIALS

All new students are invited to attend a series of two lectures (one per week) on effective study methods presented by staff members of Student Counselling Services.

Some of the topics to be discussed are:

1. The effective use of time.
2. Reading to remember.
3. Writing essays.
4. Studying for examinations.

In order to accommodate the large number of students, sections of the tutorials will be held at 1:00 p.m., 2:00 p.m. and 3:00 p.m. every day of the week except Saturdays, beginning Wednesday, December 6th, 1967, and ending Tuesday, December 19th.

To obtain section number and place of meeting, applicants must register in person at the office of the Student Counselling Services on the Fifth Floor of the Students' Union Building, Room 520, not later than Monday, December 4th.

'The freedom and responsibility mean a lot to me.'

Dave Shelly, a London Life representative in Montreal

"In my last year of university I talked to recruiters from several different types of companies. All of them offered jobs with training programs which would eventually lead to a position of responsibility. But I wanted something more. I wanted something that would let me get out and meet people. I wanted a position that would give me responsibility right away and at the same time a degree of independence and freedom. In other words, I wanted something more than just a job. That's why I joined London Life."

Dave Shelly graduated from Loyola College in economics in 1966. After a three-month training course, he chose the agency he wanted to work in from among the 100 operated by London Life across Canada. If you are interested in a career that offers you something more, ask your placement officer about London Life sales positions. Or write to the Personnel Department, London Life Insurance Co., London, Ontario.
