For the thirteenth year in a row Montreal Trust Company is sponsoring a Doll Dressing Contest. The main purpose of the contest is to make a needy child happy at Christmas. Montreal Trust supplies the dolls to be dressed and the contestants supply their own material and ideas.

Participants in the contest are asked to return their dressed dolls to us by November 29th so that local judging can take place November 30th. Judges for the local contest have yet to be selected. After the contest is over the dolls are distributed to needy children in our area.

Naturally we would like to get the supply of dolls we have into the hands of the public so they can dress them for us and possibly win a prize at the same time. If you can use this sort of thing on your community service program or generally make the public aware of our community minded project, we would appreciate it. Should you require any further information on the project, please do not hesitate in contacting the undersigned. In the meantime, dolls can be picked up at our 1690 Hollis Street Office or the Bayers Road Shopping Centre Office, Halifax.
