

SNOW EMERGENCY

All members of the community at the York Campus are advised that when a Snow Emergency condition is declared by Metropolitan Toronto, or at the University the

following restriction on parking will be imposed in order to facilitate snow removal:

- 1) Curb parking will not be permitted in the peripheral (Unreserved) lots.
- 2) Between midnight and 8:00 a.m. cars left overnight in peripheral lots will be required to be parked in designated areas in the front portion of the lots.
- 3) Between midnight and 8:00 a.m. no parking will be

permitted on any campus roads including those where parking is normally allowed. i.e. Ottawa Road, and the road adjacent to the Temporary Office Building.

- 4) Between midnight and 8:00 a.m. no parking will be permitted in any reserved area.

(The University reserves the right to suspend parking temporarily in any area for emergencies - York Campus Parking and Traffic Regulations 1974/75.)

When a Snow Emergency condition is declared in Metropolitan Toronto this is promulgated through local radio stations, and if it is found necessary to declare an emergency at the University at any other time this will be carried by Radio York. "Snow Emergency" signs will also be displayed at all entrances to the Campus.

The degree of co-operation shown by members of the

community will determine the effectiveness of snow removal, which presents problems because of the substantial number of vehicles belonging to residents which are parked overnight on campus. The above measures will enable a more efficient use to be made of snow clearing equipment, particularly during the night hours, which should prove beneficial to all.

Director of Safety & Security.
