

We humbly submit, that the land they claim, is situate between the Townships of Charlottenburg, and Cornwall; the front of which, is 155 Chains, or two Miles nearly - the depth is 1440 Chains, or eighteen Miles, - containing 22,320 Acres - It is however requisite, that an Order of Council, and Warrant of Survey, should issue, previous to the description being made out and passing from this Office -

The Reserves for the Crown and Clergy, were ordered by the Acting Surveyor General, to be laid in the rear of this Tract, where there is more than a sufficiency for that purpose - All
