RE SERVICE TO MAGDALEN ISLANDS -

Dear Mr. King:-

I have your letter of the 24th instant enclosing a telegram forwarded to you by the Warden of the County Council of Magdalen Islands, with respect to the transportation of needed supplies.

Telegrams of a somewhat similar nature are being received at this Department, and they have been receiving such attention as it has been found possible in the circumstances to give them. In an effort to meet the situation, which was represented as being serious, in the Magdalen Islands, the Department took delivery of the vessel constructed under the Shipbuilding Programme by the Nova Scotia Steel Company at New Glasgow, before that vessel
