Ottawa, Ont., 9th December, 1925.

Dear Mr. Faber,

Many thanks for yours of the 5th instant which reached me today, and as well for the clipping from the English trade paper. We have made great headway in the last contest in convincing the people of this country as to the wisdom of a definitely protective policy.

Yours very truly,

R. W. Faber, Esquire,

R.W.Faber & Company,

366 Adelaide West,
