Ottawa, 10th June, 1910.

Sir,-

In view of the report contained in your letter of the 8th instant, I beg to say that you may supply the Indian Joe Lewis with lime with which to white-wash his dwelling and render it sanitary, but you should not furnish paint or wall paper. It is thought that if the house is properly white-washed both inside and out, such cleansing will suffice.

Your obedient servant,

*L. J. [Signature]*  
Secretary.
