

The Department has no objection to your using those points to replace what you had supplied.

I note your suggestion in regard to the Government establishing a vaccine farm, but am not prepared to recommend that such an Institution should be established in connection with this Department, as I am sure that we obtain vaccine matter elsewhere at much less expense than the maintenance of an establishment of the kind would involve.

I am,

Sir,

Your obt. Servant

A. H. H. H. H.
Deputy of the Supt. Genl.
of Indian Affairs.
