it has been done I am sure  
with the desire of making  
the Department impopular  
on the Six Nations Reserve  
at the present time as it is  
claimed that more has been  
done for the Mississaugas  
than the Six Nations and  
thereby causing discontent  
If you think it is not ad-  
visable to give the general  
order, I would suggest that  
I be granted permission to  
issue seed grain orders to  
the extent of \$3<sup>00</sup> per head  
on being furnished with  
a certificate from a Chief  
that such seed is badly  
needed.

The object of this cer-  
tificate is to prevent du-  
plicate orders, as many  
of our best Chiefs procure  
for their people what  
they may require and  
satisfy themselves that the  
same is paid for when  
the Indian receives his  
interest money.

I would issue only
