

OFFICE OF THE PRIME MINISTER

MEMORANDUM

*file*

C201595

FOR THE PRIME MINISTER:

A Mr. Raymond Evans (of Toronto and London) telephoned to Laurier House on Saturday afternoon, requesting a few minutes' talk over the phone with the Prime Minister. I explained to Mr. Evans that there was little possibility of the Prime Minister being able to grant his request over the weekend, owing to many engagements.

Mr. Evans claimed he was an old Liberal worker and that his father before him had worked for Sir Wilfrid Laurier in his elections.

Mr. Evans can be reached at 8-7151J - where he is visiting his daughter.
