OFFICE OF THE PRIME MINISTER

MEMORANDUM

8

Memo for the Prime Minister

I attach a suggested statement about Italy. I am going on the country for a little while. Dr. Skelton has handed me the confidential despatches about McNaughton & the C.E.F. I will prepare a statement for the House on that subject this evening upon my return. I hope the same of Kingman is showing upon your wit
 kindness.

Respectfully,

~~General~~ Ludooshin
