Its **palatability, permanence, and effectiveness** as a cure for diseases of the throat and lungs, whether slight or serious, render it a most important advance in medical science of untold value in every household.

By its use **Coughs, Colds, Hoarseness, Asthma, Bronchitis, etc.**, are relieved and cured in an astonishingly short space of time, while in **CONSUMPTION** marked benefit is at once felt; the patient gains both in strength and weight, the harassing night cough ceases, comfortable rest is obtained, and general improvement is manifested, while steady progress toward recovery ensues, and vigorous health returns.

It is pleasant to take, easily borne by the weakest stomach, and none but the purest Norwegian Oil and selected ingredients enter into its composition.

Owing to our improved process, this emulsion contains a larger percentage of oil, and that in a more easily digested state, than any other emulsion.

A BABY SAVED.

DEAR SIRs,—My baby had a terrible cough which seemed to stick to him. I took him to the doctor, who said it was Whooping Cough, but it got worse all the time, and I was greatly alarmed, for baby was just like a skeleton. When he was four months old I tried Milburn's Cod Liver Oil Emulsion, and after using one and a half bottles my baby is entirely cured. He is now seven months old and as healthy as any child. No other remedy but the Emulsion was used.

DOCTORS SAY IT IS THE BEST.

GENTLEMEN,—I recommend Milburn's Cod Liver Oil Emulsion with pleasure. Last July I took Congestion of the Lungs and was in bed for four weeks. I was very weak and could not speak above a whisper. Dr. Lawson, of Hamiota, attended me and sent a bottle of Milburn's Emulsion. It is the very best made and soon restored my voice and brought me back to health again. Truly yours,

ALF. SMITH, Wheatlands, Man.
