Stump Pullers, Tree Pullers, House Movers, Etc.

Contractors will find it very much to their interest to investigate the celebrated Swenson Malleable Stump Machines which are sold on a guarantee that they will work faster, be easier, and more convenient than any other machine on the market. These are made in 5 different sizes so that it does not matter whether your contract is through the heavy fir in B.C., the big pines in Ontario or the small bush, we have machines adapted for the purpose.
