THE BEST THING OUT.

CLARK'S PATENT TWO-HORSE IRON FIELD CULTIVATOR

Was awarded the First Prize over all other competitors at the late Provincial Fair, and at nearly every other Exhibition where shown, and universally acknowledged to be the best implement in use. For County and Township Rights to manufacture for sale, apply to

THOS. CLARK, Proprietor, Hampton,
Or T. G. STONEHOUSE, Travelling Agent.

CERTIFICATES.

Mr. T. Clark, Sir,—I have sent you the pay for the Cultivator that I bought in spring. I have found it not only equal but far superior in lightness of draft, and thoroughness with which it does its work, to any other I have seen. Yours, &c., WM. ROSS, Jr., Oshawa, Ont.

Certificates have also been sent by John McLaughlin, Tyrone; Richard Harper, Whitby; H. C. Hoar, Darlington; Chas. Tamblin, Orono, and many others, who use Clark's Cultivator. They are perfectly satisfied with its working, consider it the best in use, and recommend it highly to all who want really good and reliable Machine.

We only know of one of these Cultivators being in use in this County, and it has given entire satisfaction. Send your orders to the Agricultural Emporium.

COLLARD'S PATENT IRON HARROW

Has been constructed with great care, on scientific principles, and after repeated experiments. The sections being narrow renders it flexible; readily adjusts itself to the uneven surface of the ground; frees itself from roots, sods and all foreign substances; hugs the ground closely, tearing up every part of it. The hinges are so constructed that they hold the sections in line, and still allow sufficient play. It is light to handle, easy draft, and requires no repairing. Farmers are invited to try one of these Harrows far a day, and if they do not suit,—lay it aside. Address—
