

PUT UP THE HEAVY, HOG-PROOF IDEAL WOVEN FENCE

You want a fence that is so heavy, stiff and strong that it will discourage any attempt at rooting. After an argument with the IDEAL your hogs will become thoroughly discouraged of trying to get under it. The IDEAL is undoubtedly the fence for you.

The IDEAL is the fence the railroads purchase because of its weight and quality. No. 8 hard steel wire throughout. Heaviest galvanizing on any fence. But the IDEAL lock is the BIG reason why you should buy the IDEAL fence. No lock equal to the IDEAL in gripping-tenacity has yet been discovered. Chances are there never will be. When stretched up, IDEAL is a very handsome fence. Every strand measures exactly true. Every lock is

correctly applied. You see, the IDEAL is manufactured by the most improved fence machinery, in a plant that is considered a model among fence factories. With such superior manufacturing facilities the natural result is a fence overshadowing others in quality—and that is IDEAL fence. For further reasons read our free booklet.

ARE YOU A MAN?

**With Back Pains,
Whose Power is Wasted,
Weak and Nervous,
And Ambition Lost?**

You can have freedom from pain and again be given life, energy and the vigor of youth if you wear Dr. McLaughlin's Electric Belt with suspensory for weak men.

What use has the world for a man who has not the courage to face the battles of life? Such courage comes from system greatly endowed with the vital force of electricity. You cannot afford to let weakness stifle your ambition and mar your future. If you are not the man you should be at your age; if you have wasted your strength; if you feel you are losing your youthful vigor, do not hesitate.

What a Difference between this class of men and the strong, manly young fellow who has not abused nature's gift, who is in the full possession of the gift of health that nature bestowed upon him. His superiority is evident in his every action, because he feels the confidence and strength of his vitality. Do you wonder why some young men yearn for the power that they have wasted through their early indiscretions. "To err is human," and that is why nature has provided a remedy for the evils that come to the young fellow who has disobeyed the laws of nature. There is lack of electrical force in the nerves, and this can be restored by supplying electricity to the system. To do this, and do it thoroughly, is what is given to

DR. McLAUGHLIN'S ELECTRIC BELT.

It has a world-wide reputation with its cures of men and women (as good for women as men). Rheumatic, Dyspeptics, and sufferers from pains or debility. SUCH REPORTS COME FROM EVERYWHERE.

Dear Sir,—I am happy to say that I am in splendid health for one of my age. I am now 67 years of age. I have had no symptoms of my old troubles since wearing your Belt, and I worked every day all winter. I had a letter from Toronto some time ago asking me about your Belt. I gave them my experience and recommended them to consult you about their trouble, having faith that you would advise them for the best. Yours truly,
THOS. JOHNSTON, Deseronto, Ont.

Dear Sir,—I write to let you know that I am doing very well with your treatment. It has done more for me than all the doctors ever did. My bowels work well; my nervousness is all gone, and my womb trouble is a great deal better. I met the doctor the other day, and he remarked how well I looked. With best wishes for your continued success, I remain, Yours very truly,
MRS. JOHN AULENBACK, Liverpool, N. S.

Dear Sir,—This is to certify that I purchased one of your Electric Belts last June, and can say it is all you advertise it to be. I felt miserable before I got it. I had such a tired feeling; no energy—had to lie down every time I came into the house—but can say candidly, after using the Belt for one week, I have not had that tired feeling since, nor any desire to lie down, as I had before using the Belt. I wore it for about three months, off and on, and did not wear it again for three months—have had it on perhaps seven or eight times since. I forked wheat all day last summer, and felt as fresh at night as when I started in the morning. It used to be I could not stand shovelling the cross furrows in the fields, my back would pain me so, this year I could do it as well as I could when I was not quite so old. I will be seventy years of age next July, if living, but feel as if I was only forty or fifty. It used to be that I could not sleep good—now I sleep soundly. I also used to be troubled with Rheumatism, but I never feel it now. Your Belt has certainly cured me. If I could not get another Belt, money could scarcely buy the one I have.
J. C. MASON, Lisgar, Ont.

Dear Sir,—Last spring, when I got your Belt, I could hardly walk, but as soon as I started its use I began to get better, and the pains in my chest got better right away, and I could lie down and take a good night's sleep, which I could not do for two years before. I am well satisfied with the Belt, and would recommend it to any one suffering from Rheumatism, or any one that is run down in health and strength through hard work.
FRANK ROGERS, Denbigh, Ont.

Dear Sir,—Have been wearing your Belt for about two weeks, and now report improvement. I was almost intoxicated first application of the Belt. Slept eight hours first night of it and eleven the second, and slept normal since. Have now one, and sometimes two, bowel movements daily. Appetite sharper. Much less irritation at bladder. Rheumatism almost gone, feel it only very slightly on exposure to bad weather.
ALEX. GLENDENNING, Milltown, N. B.

If you haven't confidence in electricity, let me treat you at my risk. I will give you the Belt on trial, without one cent of risk to yourself. Give reasonable security and I will take your case, and you can
