

### THIS NEW BALANCE

Is made entirely of Aluminum Alloy, including the platform. It will more successfully resist the corrosive action of acid fumes, etc., than any other. The Knife edges and planes are of the finest selected Agate. Beam is divided for rider. This is a Balance that you should learn more about. It is moderate in price.

## GOVERNMENT OF THE PROVINCE OF SASKATCHEWAN

### DEPARTMENT OF EDUCATION

### NEWS ITEM

Sessions of the Provincial Normal School for the training of teachers for First and Second Class Certificates will open at Regina and Saskatoon on August 21, 1917, and continue until December 21.

Third Class Sessions will open at Regina and Saskatoon on October 16, continuing until December 21. The Third classes will be limited to 50 at each point and applications will be considered in the order in which they are received at the Department.

Additional Third Class Sessions will be held at local centres, which will be announced later, beginning on November 15 and continuing for ten weeks. This will allow the students to take charge of schools opening on February 1.

Graduates in Arts from Canadian or other British Universities and persons holding Ontario Faculty Entrance standing will be entitled to admission to the First Class Session provided they have reached the prescribed age, namely, nineteen years in the case of males and eighteen years in the case of females.

For admission to the Second Class Session applicants must hold at least Ontario Normal Entrance standing. The age requirement is the same as that for First Class.

For admission to the Third Class Session applicants must hold at least Ontario Model Entrance standing and be at least eighteen years in the case of males and seventeen years in the case of females.

Application forms will be sent from the Department of Education, Regina, on request.
