The Grain Growers' Guide	3,701
Second Paper	3,338
Third Paper	953

The fact that Poultry Breeders recognize The Guide as the best paper in which to advertise their stock or egg offerings is only proof of the fact that the farmers of Western Canada regard The Guide as the best paper through which to buy either eggs or breeding stock. Proof that The Guide does produce results for the poultry advertiser is contained in the following testimonials:—

BEST IN THE WEST TEST

In past two months have sold \$200 worth of Wyandottes. Two-thirds of my orders secured through The Guide. I only advertised twice.—Willow Poultry Farm. We have discontinued advertising in any other paper as we can sell all we raise by a few ads. in your paper.—Balmossie Farms.

Any paper can offer you a certain circulation at a certain rate. The Guide offers you the largest circulation among Western Canadian farm papers (over 50,000 copies per week) at the most economical rate of five cents per word. It can also offer you the endorsement of hundreds of advertisers who have used the Farmers' Market Place and found it most effective and most economical.

The fall sale of Cockerels is becoming more popular. Dispose of some of your surplus stock now and also lay the foundation for a bigger business next spring in both stock and eggs. Send your order today. The Guide will do the rest.

The Rate is Economical—Payable in Advance.
