## OBITUARY

**DUDLY C. JOHNSON.**  
 The death occurred at the residence of his Nephew Ayrton Johnson, Grand Pre, on Jan. 25th of Dudley Cater Johnson aged 76 years.

He was the second son of the Rev. George Johnson, a Methodist Minister, who came from England when a young man and was stationed on different circuits in Nova Scotia. When he became a supernumerary he settled at Grand Pre where he died many years since. His brother Mr. George Johnson, former Dominion Statistician died at Grand Pre, a few years ago. Two other members of the family remain, John of Boston, and Mrs. M. B. Huestis, at present in Brooklyn, N. Y. The funeral was held on Saturday last, being conducted by Rev. W. M.

Ryan, Methodist minister in charge of Horton circuit.

**J. R. Best.**  
 The death occurred at Prospect, Kings County, on Jan. 20th, at the residence of his father, Mr. G. L. Best, of James Rupert Best, aged fifty eight years, after an illness of some months. He leaves to mourn their loss, on son, Kinsman, one brother, Burgess, of Bonerville, Mass., his father and mother and a large family connection.

His wife, Minnie Kinsman, daughter of the late Joseph Kinsman, formerly of Waterville, died some eleven years ago. Very sad are the circumstances connected with his death. He and his son came home from Vassar, Manitoba, early in the spring on account of the illness of his father. He devoted himself to the care of that father doing all that possible for his comfort. He recovered, but on account of failing health, the son now deceased, entered the Victoria General Hospital for an operation for sarcoma. This proved unsuccessful, and the returned home some eight weeks ago, and after intense suffering borne with Christian spirit, he passed away.

The funeral service at the home of his father was conducted by the Rev. Mr. Hockin of Berwick and was largely attended.

Much sympathy is felt for his son whose devotion was manifested by his loving attendance and care through his illness. Also for the father and mother, the brother and many relatives.

## CORRESPONDENCE.

**Editor of Advertiser:**  
 I noticed in your paper that Mr. H. H. Wickwire had been appointed a member of the Local Government, and it was inferred that he would be appointed to an office and a by election in Kings would be necessary.

As yet Mr. Wickwire has not been appointed to any office. Your statement was no doubt founded on the common report that a new office in the Government would be formed and Mr. Wickwire would be appointed Commissioner with charge of the new Road Act.

I am credibly informed that such will not occur. The new road act will prove so expensive in taxing us common people to pay a number of fat salaries to officials with little improvement in the roads that no county in the Province would uphold it on a vote. Mr. Wickwire would be "buried" by the peoples votes should he come before the people in these strenuous times for commendation of the new act and his appointment to a new cabinet position as an expert to carry on that act. Even Sir Robert Borden could not carry Kings in a by election with such a load.

It is now believed that our senior member will only have the title "Honorable" conferred upon him without an office, but will be given charge of the workings of the new road act, with a certain appropriation for so doing.

Yours Truly,  
**CORNWALLIS VOTER**
