FORMER KINGS COUNTY MAN REACHES GOOD OLD AGE

We learn from an exchange that a one time esteemed resident of this county, Mr. Theodore Harding Fitch, celebrated his ninety-fourth birthday at his present home at Niagara Falls, Ont., on April 16th. Mr. Fitch formerly resided at Lower Canada on the farm now owned and occupied by Mr. Fred Eaton. This farm he sold in 1882 to Mr. Freeman A. Eaton and moved to Niagara Falls where he has since made his home. His son Wilbur is a prominent fruit grower of that section, and although so advanced in years Mr. Fitch is still hale and hearty and deeply interested in all public affairs.

He is a son of the late William Fitch, and a brother of the late Charles W. Fitch, father of Messrs. William F. and Charles S. Fitch, of this town. The former lived at Canaan, and came to Wolfville to reside in the year 1860, and died in 1874, aged about eighty years. His wife survived him for several years passing away in 1896 at the age of ninety-three.

Many of the older residents of Kings county will remember Mr. Fitch as a successful farmer, an ardent horseman and a man of enterprise and integrity. He attributes his long life to the fact that he never drank a glass of whiskey or any other liquor, never smoked or needed the services of a doctor except when he suffered an accident many years ago by which he sustained the loss of a leg. This he had replaced by an artificial limb, which has always proved most satisfactory. Many old friends in this vicinity are glad to learn of his continued good health and will join THE ACADIAN in congratulation upon arriving at such a ripe old age.

GREENWICH

Mr. and Mrs. Hughes, of White Rock, recently moved over and are occupying rooms in the Morse house, with Mr. and Mrs. John Fenwick.

Miss Esther Pearson returned home last Tuesday afternoon from a week's visit with her friend, Miss Elsie Piper, at Beaver River, Armouth county. She also paid a short visit to her sister, Mrs. B. L. Merry, on return trip.

Miss Annie Pearson went to Westwood Hospital, Wolfville, last Wednesday and was operated on Thursday morning for appendicitis, and is now doing as well as expected.

Mrs. Lee Bishop and little daughter Doris visited for several days last week in Windsor at the home of her sisters, Mrs. Ira Lohnes and Mrs. Harry Bishop.

Mrs. Elizabeth Fraser, who lives with her daughter, Mrs. Andrew Fenwick, was taken very critically ill last Friday, but her many friends are very glad to know she is better and hope for a steady improvement in condition of this aged lady.

Mrs. John Fenwick arrived home from Bridgewater on the so called midnight train, Saturday. She left again Tuesday morning for Middleton on another session of several days demonstrating to Mr. Hazen Bishop accompanied by

his father, Mr. Humphrey Bishop, motored to Hantsport on Sunday to visit for the day at the home of the latter's sister, Mrs. (Rev.) Z. L. Fash, at the Baptist parsonage.

Mrs. A. K. Forsythe, who has been ill and confined to her home for a few weeks, is now able to be out again as usual. Her friends are glad to know this. Mr. J. W. Harvey, of Port Williams, who purchased in the winter the oldest warehouse here, is having it raised, repaired, cement floor put in, etc., and will use it for a coal shed.

We understand the new building being constructed by the Fruit Company is to be used to mix dust in for orchards during summer, and for storing coal in winter.

FEAR EFFECT OF YANKEE MOVIES ON BRITISH YOUTH

London Politicians and Newspapers Deplore Conquest of Empire by Uncle Sam's Films—"British Films for the Empire" is Slogan

LONDON, April 16.—The conquest of the Empire by American film producers and especially their general diffusion throughout Britain is arousing increasing anxiety and there is an outcry from many quarters for a counter move on the part of Britain to break what is regarded as a dangerous hold on the youth of the Empire.

The fact that Britain is practically producing no films today and that what have been produced in the past are not up to the American standard of excellence adds strength to the protest.

Both politicians and the press here do not hesitate to express their fears that American films which idealize American life and customs, filled with American sentimentality are having a most demoralizing effect on the youth of the Empire.

The Daily Mail in a featured article today says that these American films "Show conditions of life and thought which are altogether alien to our English world. They are often quite absurd whether consciously or unconsciously." The Daily Mail proceeds to quote an instance of an American film which was supposed to be screened in the Elizabethan era showing a quantity of Queen Anne furniture which, it says, is just as absurd as filming George Washington holding a camera in his hand.

The paper complains that one film displayed a caption which was supposed to represent the words of a peeress of the Elizabethan age, who declares, "Clumsy, you have spoilt my faint."
