## K. OF P. PICNIC A GRAND SUCCESS

Biggest Day Hartland Has Seen in a Generation—All Had a Happy Time

Labor Day was the first all-day day for two weeks, and the Knights of Pythias proved themselves capital entertainers. Their big picnic was a huge success from every standpoint, and the immense crowd that attended was thoroughly well-satisfied. Free admission, free ball game, free sports proved a great drawing card, and those who came seemed disposed to spend money freely wherever opportunity offered.

Before one o'clock autos and teams began pouring in from all roads and shortly more than 250 cars were parked on the grounds and at every possible chance for a long distance up and down the street. A smile of good humor was on everybody's face, and there was not the slightest ruffle of dissatisfaction from start to the conclusion of the long afternoon and evening program. The steam merry-go-round started business just after one o'clock and never ceased giving joy to the juvenile portion of the multitude until ten. The ball game between Bath and Hartland was decidedly interesting, one of the best games played this season. It was well played to the close of the seventh innings, when the score stood tied at four runs for each, and the game was called off. The fans would have liked to witness a play-off but the game was determined too much from the other sports, and the diamond was needed as a stage for the carrying out of the rest of the program. Following is the line up:

Bath	Hartland
Brennan	Billings
D. Commins	DeWitt
Giberson	1st Ward
Vanstone	2nd O. Hovey
F. Commins	3rd Keith
McRae	4th Kyle
Day	5th Lavigne
McGinley	6th I. Hovey
Kirk	7th Hatfield

The score:  
Bath 10 0 0 0 0 3—4  
Hartland 0 0 1 0 1 2 0—4

At five o'clock the long-sounded for supper and the hungry crowd surged toward the dining pavilion where a splendid repast was served in most commendable style. Beans, whole beans, salads, and a wealth of dainties were provided in abundance that the hungry might be filled, and cooks and waitresses received their just meed of praise.

The charming music supplied by Knowles' orchestra, brought from Fort Fairfield, was indeed a delight. This was another of the free attractions and by no means the least enjoyed, for standing room around the orchestra was at a premium at all times. Mr. Knowles, the talented leader of this splendid organization, is no stranger to the older citizens of the town, for 20 years ago he was employed as instructor by the old 67th Reg. Band and brought it to a very high degree of proficiency.

The evening entertainment in the hall drew such a crowd that so soon as it was over the hall filled a second time and the show was repeated. The play put on by a number of local young ladies was much appreciated. Other specialties gave the audience enjoyment while the real piece de resistance was the showing of the pictures depicting the arrival of the Prince of Wales at St. John and the soldiers' reception.

Thanks to Brighton Lodge K. of P. Hartland has been the scene of holiday pleasure-seekers for once in a blue moon—and it was some holiday at that. As

has been stated, the primary object of the picnic was to raise funds for the building of a hall, a movement that had the instant sympathy of the whole town. It is pleasing to know that financially as well as otherwise the affair was a success. More than \$1,100 was taken in and the net proceeds, not yet figured down to the last penny, are pretty sure to go well over \$600.

## EAST FLORENCEVILLE TO CELEBRATE

Will Have a Big Day on Sept. 17—A Peace Memorial Picnic

The citizens of East Florenceville and vicinity are enthusiastically engaged in the preparations for a joy day of gigantic proportions on Wednesday, Sept. 17. This will be in the way of a peace memorial picnic and the object will be to raise funds to endow a memorial hall in the school building. The event will be an all-day affair, the occasion to be enlivened by both a brass band and an orchestra. A ball game between two strong teams will be called in the forenoon, and Florenceville teams will try conclusions with the winning team in the afternoon. There will be a steam merry-go-round and all the usual and unusual picnic attractions including a 60-foot dancing floor. Both dinner and supper will be served, and the day will end by a grand pyrotechnic display such as has never been seen in the county. A grand, great and glorious orphan and trade procession will be a feature of the program and the whole day promises to be one indeed full of interest. There can be no doubt that, granted a fair day, a huge crowd will find its way to East Florenceville.

W. P. Stapleford of Bath has been engaged as manager of the whole enterprise, and any person wishing concessions on the grounds should communicate with him.

## CHOLERA INFANTUM

Cholera infantum is one of the fatal ailments of children. It is a trouble that comes on suddenly, especially during the summer months and unless prompt action is taken little one may soon be beyond aid. Baby's Own Tablets are an ideal medicine in warding off this trouble. They regulate the bowels and sweeten the stomach and thus prevent all the dreaded summer complaints. They are an absolutely safe medicine being guaranteed by a government analyst to contain no opiates or narcotics or other harmful drugs. They cannot possibly do harm—they always do good. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

He gave up his course at Acadia and enlisted in the early period of the war, and for conspicuous valor in the field was awarded the Military Cross. After the armistice he went with the Canadian forces into Germany and was there for a considerable time. He was accompanied home by his friend, Lieut. Simmons of Brandon.

## WOODSTOCK INVITES YOU TO COME

Big Exhibition Next Week will be Great Attraction

The directors of the St. John Valley Exhibition Association extend to all readers of The Observer a cordial invitation to visit their first annual Fair at Woodstock, Sept. 9-10-11-12. The Fair will be held on a beautiful island in the St. John River, just opposite the town.

On this island, where nature has already bestowed beauty with a lavish hand, over \$50,000 has been expended in the preparation of an exhibition plant and race course, pronounced by those who know, to be unequalled in these parts.

It is our aim to have something to interest and please every visitor. We are sure that when the curtain rises on this our first fair we will have succeeded.

For the love of live stock we will have a collection of the finest herds from the Maritime Provinces, Ontario, Quebec and the State of Maine, our Agricultural, Industrial and Educational displays will certainly please and interest all, and to those who come seeking entertainment and excitement our half mile of midway, not to mention ocean-wave, merry-go-round, ferris wheel, the free open air attractions and the fire works, will supply the thrills.

Three fast keenly contested horse races each day will be sufficient entertainment for the lovers of this sport.

Every need and wish of our thousands of visitors have been anticipated. Up-to-date restaurants will be conducted on the ground where a wholesome meal at reasonable prices may be had, and the usual refreshments including the savory "hot-dog" will be in superabundance.

Therefore if you wish to meet all your old friends and have the time of your life you will come to Woodstock Sept. 9-10-11-12.

### Presentation on Leaving

On Friday evening a pleasant social event took place at the home of Chas. Ebbett of Middle Simonds where upwards of half a hundred friends and well-wishers gathered to show their esteem for Miss Elta Belva who left on the following evening for Ballows, Falls, Vt., to enter training for the nursing profession. Games, music, etc., were indulged in, after which cake and ice cream was served by the hostess.

A nice purse of money was presented to Miss Belva by Rev. J. M. Mallory, who gave a very appropriate address in which he suggested that the money be used to purchase a gift that would be useful and such as would cause her to have a pleasant memory of the event. A neat travelling-bag was purchased with the money and will doubtless be very highly appreciated by Miss Belva.

Mr. Cambridge of St. John has been visiting his daughter, Mrs. William McPherson.
