

EVIDENCE HEARD AGAINST PREACHER

Etta Booker Says She Was
Only Thirteen When She
First Met Steeves

Woodstock, March 8.—The preliminary examination of Charles Steeves, the Pentecostal preacher, took place before Leighton A. Noble at Bristol today behind closed doors, and resulted in the accused being committed for trial at the Circuit Court which meets here on April 26. The prosecution was represented by Robert L. Simms and Charles J. J. Jones appeared for the defence.

Magistrate Noble said that "this is without doubt the worst case ever brought before me and one that we more often read about than realize."

The evidence of the young girl, Etta Booker, was to the effect that she first had seen Steeves at the meetings being conducted last summer at Fielding, where she resides with her father and three younger children of the family. Her mother is dead. She said that Steeves began to visit the place about Nov. 1st last, and while the father was at work attacked her by pretending that a clergyman could do no harm. She was then 12 years of age. He visited the place daily for about a week and regularly offered prayer after meals, she declared.

Etta Booker, the girl's father, said he was totally ignorant of the situation until Steeves asked him one day if he could marry his daughter. Booker said he told him that something was wrong with his head and ordered him to leave the place.

The girl testified that Steeves afterwards went back and told her to hide her clothes and run away with him. The dramatic part of today's proceedings was the indication of Mr. Booker, who violently attacked the prisoner at the hotel before the trial and only the prompt action of Sheriff A. R. Foster and Deputy Moores saved him from actual bodily harm.

After the hearing, when the prisoner was brought out of the court room, the father rushed at him and said: "You dared to say you were innocent, you cannot look me and my daughter in the face and say so." Here quite a stir ensued and it took all the energy of the Deputy Sheriff to hold the father back. A crowd collected. Steeves maintains his innocence and says that he is in no worse position than Paul and Silas, who were in prison, and thinks it no disgrace, when John the Baptist was beheaded and Deputy Moores, there to await his trial. Steeves is 55 years of age.

CHARGE ALBERT CO. MAN WITH MURDER

Ezekiel Berry Arrested on the
Suspicion of Having Killed
His Wife

[Canadian Press by Leased Wire.]
Moncton, N. B., March 9.—Charged with the murder of his wife, Minnie Berry, Ezekiel Berry, of Forest Hill, Albert county, was arrested yesterday by Provincial Constable Dryden. The coroner's jury called to examine the body of Minnie Berry after her death on December 12, 1920, failed to agree that the circumstances surrounding the death were accidental as her husband is said to have alleged, and Berry's arrest is the sensational culmination of a probe ordered by the Attorney General's Department.

Berry is alleged to have stated that his wife was drowned in a spring a short distance from her home at Forest Hill on the morning of December 12.

The coroner's jury is said to have found one sign of Mrs. Berry's head bruised and swollen and marks on throat from which blood was oozing. Constable Dryden brought his prisoner to Moncton last night and he will be given a preliminary hearing this afternoon. Berry has three children.

THE GOVERNMENT'S RAILWAY DEFICIT

The Large Sum of \$140,000,000
Required for Railways
for Fiscal Year

[Special despatch to The Daily Gleaner.]
Ottawa, March 9.—The Minister of Railways and Minister of Finance have, after raking council together, issued a statement which begins with the undeniable statement that "the railway estimates are large." The remainder of the statement is somewhat vague in its character to the average man who undertakes to interpret, but the rest stands out plain as a sore thumb—the fact that the deficit on government ownership of railways, according to the statement, will be something over \$60,000,000—the vagueness as to the exact amount being due to the fact that the exact deficit on the Grand Trunk is not given.

What is immediately evident from the statement is that the country will have to dig up the enormous sum of \$140,000,000 cash for railway obligations. It is impossible to ascertain from the statement how much of this sum is made up of taking the Grand Trunk first, for which \$57,000,000 will be required, there is an unestimated sum for operating deficits, current and overdue liabilities (including probably, floating debt, current accounts overdue, etc.) of \$29,000,000, substantial payments (unspecified) for sinking fund and refunding purposes, and a new capital expenditure for betterments of \$12,000,000. This leaves a balance for the Grand Trunk of \$23,000,000, probably made up of maturing obligations, fixed charges and deficits in operation.

The estimates for the Grand Trunk Pacific and Canadian National are stated more precisely. The T. P. deficit is approximately \$13,250,000, the Canadian National \$23,000,000 and the Intercolonial and Transcontinental \$7,000,000.

The sums mentioned in this official memorandum make up a total of \$1,130,000,000. The balance of \$27,000,000 remains unaccounted for in the statement, although it may be covered by the paragraph which belies those of last year when it was stated that the vote is swollen by betterment, new construction on western lines and stock requirement.

It is the big increase in the railway estimates—over \$92,000,000—which have to a large extent had the effect of defeating the strenuous efforts which the government and betterment of the railways to prepare a statement of expenditure which would justify its claims to be trying to economize. As it is, the total estimates are over \$33,000,000 below those of last year and substantial reductions have been made in many services, notable among them being those in pensions, soldiers' land settlement, soldiers' civil re-establishment, demobilization, public works and miscellaneous expenditures. But the estimates on consolidated revenue show 33½ million increase which is where the government will be subjected to most criticism.

BOWLING MATCH AT MARYSVILLE

The Kittens Defeated the Cats
Last Night by Sixty-Nine
Points

[Special despatch to The Daily Gleaner.]
Marysville, N. B., March 10.—"Kittens" of the New Brunswick machine gun brigade, held their weekly drill in Castle Hall last evening. Maj. Frank Del. Clements, O. C. the Fredericton company, was present and inspected the platoon. He expressed himself as highly pleased with the appearance and the work of the non-com. Sgt. Major Warren was in charge of the instructional work. The platoon is rapidly filling up to strength, six new men being enrolled last evening.

After a careful examination and consultation, the physicians who are attending Bernard Pond decided that it was expedient to remove him to Victoria Hospital and perform an operation upon him. Accordingly, he was taken to the hospital yesterday morning, where Doctors G. C. Van Wart and J. A. McIntyre performed the operation. Mr. Pond stood the operation well, and is now resting as well as can be expected.

Mrs. G. R. Sloat, who has been confined to her room with illness, is now a little better.

Mrs. John A. Stafford and Miss Marion Stafford are both recovering from their recent illness.

It looks now as if Bob Finn would not play first base for the Marysville baseball team next season, he having left here. No doubt many of the boys would be glad to hear from him in his new home.

The Kenyon evangelistic party are having large congregations each evening, and there is much interest in the work.

Mrs. Watson G. McLean has returned from a visit to her parents, Mr. and Mrs. Alex. Kelly, Kingsclear.

Lorne A. Stafford, who has been visiting his home here for a few weeks, leaves this evening to resume his duties on construction work at Sackville, N. B.

The "Cats" and "Kittens" have been engaged in a fierce struggle for supremacy on the bowling alleys for some time past. To date, the "Kittens" have won the high prize of credit, and naturally, and also quite justly, they feel elated, as the "Cats" are the players who play foreign games, and are considered the pick of the club.

Some of the admirers of the "Cats" say that they are just playing with the "Kittens" to encourage them on. However, last night's game does look as if the Kittens had the goods. The losers had to pay for the oysters. The following is the score:

CABINET MEMBERS AND DIRECTORSHIPS

Mr. McMaster's Bill Met With
Little Support on Floors of
House

[Special despatch to The Daily Gleaner.]
Ottawa, March 9.—Only four items with any claim to importance appeared on the parliamentary menu yesterday, the sudden death of Mr. McMaster's legislative infant, the resolution of Archie McColg for standardization of parts of agricultural implements, and Mr. Frank Keefe's lengthy advocacy of the waterways scheme.

Of those the estimates were certainly of more general interest, and the little blue book containing them will for the next few months be the vade mecum of every member of the opposition. Mr. Sinclair and Mr. Duff, of Nova Scotia, who are popularly supposed to sleep with the estimates under their pillow, were poring over them last night, as was, indeed, nearly every member of the House.

The deficit on the railways is a big one and the story of the Government's steamship enterprises is still to be told, although it is understood the Minister of Marine has a small balance on the right side. The general line of attack on the railway statement will be what will doubtless be described as the anomaly of increased rates along with increased deficit, and no doubt there will be demands for the head of President Hanna.

Mr. McMaster's bill for the purging of the cabinet from every talent of big business by forcing Ministers to drop their directorships when entering the Government, met very little sympathy from any quarter of the House. It was opposed by supporters of the Government, of the Opposition and of the Farmers party, and all the time used in discussing it may be put down as lost.

Mr. McMaster himself must have recalled that antique epitaph on another infant's tomb which is to be found in an English churchyard, "If so soon then I am done for, I wonder what I have begun for." Hon. Mr. Cresser as representing the plain people did not like the bill. Mr. Cock-shutt of Brantford, whom members of the Opposition are fond of referring to as the high priest of protection, thought Canadian Cabinets needed more instead of fewer big business men. Hon. Mr. Ballantyne inveighed against McMaster with all the eloquence at his command. It never had a chance, and Mr. McMaster recognized the fact good naturedly.

Mr. McColg's resolution had a different experience. He urged it with practical knowledge, being himself a dealer in agricultural implements and no one showed any disposition to oppose it, but Mr. Henderson pointed out that a committee of the House was now considering the same question and would probably make a recommendation to the Government which would accomplish the object aimed at, whereupon Mr. McColg withdrew his resolution.

At a late hour Mr. Keefe was still going strong in advocacy of his resolution regarding the deepening of the St. Lawrence and the production of hydro-electric power.

WOULD REFORM QUEBEC COUNCIL

The Opposition Leader Would
Change Form of Appointment
to Legislative Council

[Canadian Press by Leased Wire.]
Quebec, March 9.—Mr. Sauve, leader of the Opposition, last night gave notice of motion to the effect that he would present a motion asking for the reform of the Legislative Council. The motion will come before the House for debate within a few days. This is an old question with the Legislative Assembly and in the days, not very long ago, when the Conservatives were in power and the Liberals in opposition seeking to get votes, it was a Liberal programme to abolish the Upper House. Mr. Sauve does not go so far, but wants the appointments of members of the Upper House taken out of politics. His idea is that the members should be chosen in a different way, some by selection of the Universities, others by boards of trade, agricultural associations and so on, so that the Council will be representative of all the varied interests.

City Election

The Annual Election for Mayor
and Aldermen for the City of
Fredericton will be held on
Monday, March 14th,
1921

POLLING PLACES.—At the City Hall for Division No. 1, and at the County Court House for Division No. 2. Will open at 9 o'clock a. m. and close at 4 o'clock p. m., the said day.

How to Vote

The voter shall use the official ballot paper and shall strike out or mark through with a pencil of black lead, or a pen with black or blue-black ink, the names of all except the name of the candidate or the names of the candidates for whom he wishes to vote, and a ballot so marked, if otherwise good, shall be counted.

Not more than one elector shall at any one time enter the polling place, and such elector upon entering shall declare his or her name, surname and addition, and if the name of the voter place the elector on the list of voters, he or she shall receive from the Presiding Officer an unsummed envelope, on the back of which the Presiding Officer shall write with a pencil of black lead or with pen and ink, his initials, in the presence of the voter.

The elector on receiving the envelope, shall forthwith proceed within the screened compartment and shall there, in the presence of the voter place the envelope containing the ballot in the ballot box, and the voter shall immediately leave the polling place. No such ballot shall be received by the Presiding Officer until the voter has proceeded to the screened compartment within the polling place, and while there placed his or her ballot in the envelope furnished him by the Presiding Officer.

The Poll Clerk, under the direction of the Presiding Officer, then enter the name of the voter on the list.

NOTICE TO ELECTORS

The names of candidates not elected by acclamation are as follows:

For St. Ann's Ward—
Bastar, Robert J.
Young, Harold M.
For Carleton Ward—
Camp, Council C.
Howie, Charles R.
G. R. PERKINS,
City Clerk.

MAIN ESTIMATES WERE BROUGHT DOWN

An Increase of \$45,000,000
Over the Amount Asked for
Last Year

Ottawa, March 9.—Sir Henry Drayton, Minister of Finance, this afternoon tabled the main estimates for the coming financial year amounting to \$582,062,898 as compared with main estimates last year of \$537,149,428 and total estimates of \$618,225,411.

The following statement gives a bird's eye view of the main estimates comparing them with the total estimates voted for the previous year. Interest and expenditures resulting from the war

Interest	1921-22	1920-21
Pensions	\$140,613,163.62	\$131,816,923.36
Soldiers' land settlement	35,017,000.00	35,017,000.00
Soldiers' civil re-establishment	19,310,000.00	19,310,000.00
Islandment	19,310,000.00	19,310,000.00
Total	\$226,757,087.58	\$226,757,087.58
Railways (not including capital)	\$172,837,633.39	\$172,837,633.39
Housing loans (re-vote)	10,456,800.00	10,456,800.00
Total	\$409,901,520.97	\$409,901,520.97
Leaving for general gov't purposes	\$136,924,670.23	\$136,924,670.23
Total	\$546,826,191.20	\$546,826,191.20
Capital (including railway capital)	\$27,459,127.00	\$27,459,127.00
Demobilization	7,777,380.00	7,777,380.00
Grand total	\$582,062,898.20	\$582,062,898.20

The Main Change.

Under consolidated services the main decreases are as follows: Public works, income \$2,258,471.61; mail subsidies and steamship subventions, \$129,666.66; Royal Canadian Mounted Police, \$1,146,493.45; soldiers' land settlement, \$15,000,000; soldiers' civil re-establishment, \$21,077,064.33; air board, \$375,000; miscellaneous showing a total decrease of \$5,253,561.61; in last year's estimates under the latter head, however, additional monies were provided for the commutation of the pensions payable to those suffering slight disability. The decrease this year is entirely due to the fact that a much smaller vote is required for this purpose this year.

The main items of increase are: Trade and commerce, \$1,899,113.51; due to provision for the census; post office department, \$916,594.62; railways and canals, collection of revenue, \$1,365,500 and railways and canals income \$2,080,460.39.

Notwithstanding the large savings noted above, there is a total increase in consolidated services of \$32,652,295.66 due to the railway appropriation.

Capital vote shows a reduction of \$32,059,988.48. There is a decrease of \$11,414,000 in the main department vote, principally due to reduction in the shipbuilding programme and a reduction of \$11,022,368.00 for railway equipment and \$2,495,630 for reconstruction and betterments of Canadian Government Railways.

An appropriation of \$7,777,380.00 is made for demobilization expenditure. This is a reduction of \$32,556.20 on last year, and represents the amount which is required to clean up Canada's war outfit.

N. B. Appropriations.

According to today's table of estimates \$1,000,000 is to be spent on the parliament buildings during the coming year, \$1,300,000 for a new dry dock at Esquimaux, 1,250,000 for improvements to St. John harbor and \$1,000,000 for Toronto harbor improvements, as well as \$175,000 for breakwater protection at Toronto Island. In New Brunswick the public works department proposes to spend \$36,500 and \$75,000 of it will be for new buildings, repairs and improvements to the quarantine station on Partridge Island and in St. John harbor. Of \$102,100 to be spent for harbors and rivers in New Brunswick generally, the largest items include \$45,000 for repairs to the breakwater pier at Cape Bald, Westmorland county, \$14,000 for a wharf at Lord's Cove, Deer Island; \$29,800 for reconstruction breakwaters at Quaco (St. Martins), and \$7,700 for repairs to the wharf at St. Andrews. Dredging in the Maritime Provinces will come to \$500,000. There are estimates of \$162,000 for an international bridge across the St. John river at Edmundston, N. B., the state of Maine to contribute a like amount, and an amount of \$2,800 to repair the international bridge at St. Leonard's.

Printing costs in all departments are less. One item asks for the admin-

THE KITTENS DEFIANTLY

The Kittens Defeated the Cats
Last Night by Sixty-Nine
Points

[Special despatch to The Daily Gleaner.]
Marysville, N. B., March 10.—"Kittens" of the New Brunswick machine gun brigade, held their weekly drill in Castle Hall last evening. Maj. Frank Del. Clements, O. C. the Fredericton company, was present and inspected the platoon. He expressed himself as highly pleased with the appearance and the work of the non-com. Sgt. Major Warren was in charge of the instructional work. The platoon is rapidly filling up to strength, six new men being enrolled last evening.

After a careful examination and consultation, the physicians who are attending Bernard Pond decided that it was expedient to remove him to Victoria Hospital and perform an operation upon him. Accordingly, he was taken to the hospital yesterday morning, where Doctors G. C. Van Wart and J. A. McIntyre performed the operation. Mr. Pond stood the operation well, and is now resting as well as can be expected.

Mrs. G. R. Sloat, who has been confined to her room with illness, is now a little better.

Mrs. John A. Stafford and Miss Marion Stafford are both recovering from their recent illness.

It looks now as if Bob Finn would not play first base for the Marysville baseball team next season, he having left here. No doubt many of the boys would be glad to hear from him in his new home.

The Kenyon evangelistic party are having large congregations each evening, and there is much interest in the work.

Mrs. Watson G. McLean has returned from a visit to her parents, Mr. and Mrs. Alex. Kelly, Kingsclear.

BANDITS DYNAMITE BANK NEAR OTTAWA

Ottawa, Kas., March 8.—Bandits entered the State Bank of Rantoul, ten miles southeast of Ottawa, yesterday and after dynamiting and robbing the vault, disappeared. The explosions set fire to the bank building and it was destroyed.

The bandits cut all telegraph and telephone wires leading into the town and made their getaway with a large amount of money and securities in an automobile.

OBITUARY

Mrs. R. Watson Grimmer.

St. Stephen, March 7.—The death occurred yesterday of Mrs. Grimmer, wife of R. Watson Grimmer, former M. P. P. of this town. Mrs. Grimmer was sixty-five years of age and had been in failing health for some time. Mrs. Grimmer before her death was impaired had always taken an active part in both church and social affairs and was loved by both young and old. Besides her husband she leaves a daughter, Miss Roberta. The funeral will be held on Wednesday afternoon.

Charles A. Gunn.

Chatham, March 7.—Charles A. Gunn, one of Chatham's oldest and most highly respected citizens, passed away Sunday morning. He was seventy-four years of age and is survived by his wife and one daughter, Mrs. Robert F. Adair, of Tulsa, Okla. His only son, Fred, was killed in action early in the war. The funeral will be held tomorrow under Masonic auspices and interment will be in Riverside cemetery.

Halifax, N. S., March 9.—Orest Valde, of Italy, defeated Leo S. Fox, of Woonsocket, R. I., here last night in a wrestling match with one fall in twenty minutes.

Illustration of the business profits war tax act and the income war tax act. This is taken by some as meaning that the business profits tax may possibly continue.

Moncton, N. B., March 9.—St. John skaters cleaned up in the races here last night. Frank Garnett was the leader, carrying off four first and a second. M. J. Perry, the Moncton star, won only one race, the backward one.

ST. JOHN SKATERS WON AT MONCTON

Moncton, N. B., March 9.—St. John skaters cleaned up in the races here last night. Frank Garnett was the leader, carrying off four first and a second. M. J. Perry, the Moncton star, won only one race, the backward one.
