LOST HIS HORSE
 David Clarke of Lower Newcastle while driving in Newcastle on Monday, had the misfortune to have his horse drop dead.

MARRIED
 At St. Stephen's Manse, Black River Bridge, on Wednesday, August 1st, 1917, by Rev. J. M. Fraser, Thomas J. MacDonald and Minnie S. Sullivan.

STRIKE ON THE CARAQUET RAILWAY
 Their wages being reduced last week, the employees of the Caraque and Gulf Shore Railway all went out on strike, and the management promised to restore the former rate. The men then resumed work.

MR. BLAIR LOOKED AFTER
 The Public Works Department has appointed Harry M. Blair inspector of motor tags, although the appointment has not yet been made public. It is one of those appointments, too, to which the salary attached is not yet made public. The duties are going about to see who are running their automobiles without a tag and to report.—Fredericton Gleaner.

LIEUT. MOWAT WOUNDED
 Mr. Alex. Mowat, Campbellton, received a telegram from Ottawa on August 1st informing him that his son Fred, had been wounded in the right arm by gun shot, and was admitted to the Red Cross Hospital, Letouquet. Lieut. Fred T. Mowat sailed from Halifax last November and upon the disbanding of the 132nd battalion in England he took several courses, crossing over to France in May, was attached to a Montreal unit and took part in two previous engagements before being wounded in the last big drive.

BARN BURNED AT STRATHADAM
 About 5 o'clock Thursday afternoon, just as John Keating of Strathadam with four helpers had hauled in a load of hay and was resting on the barn floor, lightning struck his barn and set fire to it. The horses were slightly stunned, but neither he nor the men were hurt. There was just time to get that load of hay and the stock out of the barn before the building and fifteen tons of hay and some sixty bushels of oats were destroyed. Mr. Keating had some insurance, but his net loss is heavy. The same day at Upper Mauger-ville, Sunbury Co., Ashley Dykeman's barn was struck by lightning and entirely burned with contents. Geo. Dykeman, son of the owner, was stunned by the same bolt. At Upper Queensbury, York Co., Ernest Hay lost three barns and their contents, and at Dorne Ridge three head of cattle owned by a man named Boomer was killed by lightning. Fredericton and the district immediately surrounding escaped any heavy damage.

Near Windsor, N. S., the storm was very severe. Several barns were burned, and a sixty foot chimney half destroyed.

At Millerton many trees and fences were blown down. The end was blown out of Wallace Barnes's barn and Mr. Volckman's steel windmill was overturned.

ENGINEERING TRIUMPHS AT HALIFAX
 Halifax is going to give a royal welcome to the thousands of people who will visit the city, exhibition week this fall, September 12th to September 20th, and rightly she is going to take the opportunity of inviting everyone to see the magnificent work, which is now being carried on in the development of her harbor resources. Halifax is going to have a terminal plant second to none in America, and she wants everyone to know about it.

There is nothing more fascinating than modern engineering triumphs, the building of huge tunnels, removing of mountains, building of bridges, railroads and docks. Much has been made of the giant task that engineers faced in surmounting the Canadian Rockies, but experts declare that the excavation for the new Halifax Terminal has proven the heaviest ever done in Canada for a similar length of railroad. A huge trench has been dug through almost solid rock from Rockingham on Bedford Basin to the entrance of the Harbor. Thousands of tons of dynamite, the daddies of all steam shovels, scores of sturdy little engines, and an army of men have taken millions of tons of rock and earth from along the railroad, and transported it to reclaim acres of grounds—from the sea-foe broad shunting yards.

And a visit, too, will be paid the huge concrete docks, costing millions of dollars, where the largest ships in the world will find comfortable berths. Bigger, brighter, better and busier than ever, the Nova Scotia Exhibition at Halifax, this year, September 12th to September 20th will provide an opportunity to see and realize the tremendous future of Halifax. It is believed that conditions are especially propitious this year for a record exhibition in every way

Pretty Wedding at Storetown

Miss Tessie May Storey Becomes Bride of Frank L. Holmes—Doaktown Happenings

Doaktown, Aug. 7—The farmers around this vicinity have been taking advantage of the good weather which we have had for the past week. Many of them have finished haying. It is reported that there will be an abundant crop throughout the country.

Holmes—Storey
 A very popular wedding was celebrated at Storetown on August the first, when Frank L. Holmes of Doaktown, was married to Tessie May Storey, of Storetown. The groom is the son of the late Mr. and Mrs. David Holmes, and the bride the daughter of Mr. and Mrs. James Storey.

The ceremony was performed by the Rev. Arthur J. Patstone at the home of the bride's parents. The bride was prettily attired in white embroidered voile and carried a bouquet of pink and white flowers. She was supported by Miss Rena Storey who was also in white.

The wedding luncheon was served out of doors and well over a hundred guests partook of the generous hospitality of the host and hostess.

After luncheon the guests spent an enjoyable afternoon around the homestead. The newly married couple will reside in Doaktown where they have a very snug little home and farm. The good wishes of the whole community go out to them.

The many presents to view on the wedding day was proof of that. Miss Mary McCormick left on Saturday for Barnaby River where she will visit her sister, Mrs. Peter Bohan.

Mrs. Frances Whyte has returned home after spending a few days in Blackville, the guest of Miss Bertie Berry.

Mrs. May Phillips and little son of Fredericton, are guests in town this week.

The Rev. A. J. Patstone and family are visiting friends in Newcastle and Bay du Vin this week.

Miss Bertha Ogilvie and niece Miss Isabelle left on Monday morning for Fredericton, where they will spend their vacation. While there they are to be guests of Mr. and Mrs. E. A. Logan.

Miss Mina Parker of Marysville arrived home last week and will spend a few weeks with her parents Mr. and Mrs. Geo. Parker.

Mrs. Arthur Ballard and Mrs. Burns of Blisfield, were visitors to town on Saturday.

A motor party consisting of Miss Hazel Holmes, Misses Annie and Elsie Murray, Miss Lillian Price and Mr. Akerley Holmes as chauffeur, motored to Newcastle and Chatham one day last week. They were accompanied back by Miss Vera Murray of Chatham.

The attendance at the Patriotic Service of Intercession on Aug. 4th was small, owing in some measure to the appearance of a real moving picture show in the village. However the service was held and the resolution passed. In moving it Rev. A. J. Patstone contrasted German and Anglo Saxon ideals, and spoke of the need of more prayer. Mr. T. Parker seconded the resolution in a few telling words, especially eulogizing the sacrifice of the men who have served the Empire even unto their death.

Mr. and Mrs. Everett Betts of Houlton, who motored to town a few days ago, have returned again to their home. They were accompanied by Mrs. Betts' mother, Mrs. Geo. Donald.

Mrs. Roy Mitchell who has spent the past few weeks visiting relatives in Chatham, has returned home.

Mrs. McDonald and Mrs. Stewart of Chatham were the week-end guests of Mrs. Roy Mitchell, South Road.

Mrs. Ray Holmes has returned home after a trip to Montreal.

Mrs. Howard Holmes of Carrolls Crossing attended the Holmes-Storey wedding last Wednesday.

Misses Beatrice and Flossie Simms have returned home after spending a pleasant vacation with their mother Mr. Jack Simms of Gibson.

Miss Dora Holt and niece Miss Doris Marr are guests of Mr. and Mrs. Frank Russell this week.

Miss McDougall and Miss McNaughton arrived in town last week and will spend their vacation with their cousins, Misses Annie and Margraet Doak.
