## CANTERBURY STATION

CANTERBURY STATION, March 21.- The been trying to do a little business in their line here. I enclose their circulars which have just been handed me by one of our on Wednesday evening by Dr. McLeod. business men, who received it a few days | There was a large attendance. ago. Please explain to your readers their methods of doing business, as the

information may prevent some one from getting caught. Quite an excitement in the village to day caused by the failure of one of our business men, who was engaged in January trading and lumbering to quite an extent. Bills amounting to several thousand dollars remain unpaid. A large crew of men, who have been working in the woods since last fall, will suffer considerably from the failure. It is to be hoped that the lien law which Mr. Wilson has been endeavoring to have passed, will be successfully got through this session, so that in the event of a case of this kind the men can hold the lumber for

their wages. We are sorry to hear of the serious illness of Mrs. John N. Grant, of South-On motion of hon. Mr. Blair resolutions ampton. She is attended by Dr. Hand, of Woodstock, and Dr. Revely of this place. ## KINGSCLEAR.

KINGSCEEAR, March 21st .- Wellington Weary, of this parish, is building a large pier, 36 x 46 feet. It is intended to hold a boom and will be a great convenience to raftsmen on the river; that is if it stays. There was a very enjoyable social at John Kilburn's on Thursday evening last. All sorts of amusements occupied the time. There was music by Miss Blanche Dykeman, Rev. Mr. Gough and Miss Smith. Refreshments were served and Mr. and Mrs. Kilburn's hospitality enjoyed to the utmost. A collection to help defray the repairs on the Methodist church of the district was taken up. It was the boss

IT LEADS THE LEADERS. The foremost medicine of the day, Burdock Blood Bitters, is a purely vegetable compound possessing perfect regulating. powers over all the organs of the system and controlling their secretions. It so purifies the blood that it cures all blood humors and diseases from a common pimple to the worst scrofulous sore, and this combined with its unrivalled regulating, cleansing and purifying influence on the secretions of the liver, kidneys, bowels and skin, render it unequalled as a cure for all diseases of the skin. From one to two bottles will cure boils, pimples, blotches, nettle rash, scurf, tetter, and all the simple forms of skin disease. From two to four bottles will cure salt rheum or eczema, shingles, erysipelas, ulcers, abscesses, running sores, and all skin eruptions. It is noticeable that sufferers from skin diseases are nearly always aggravated by intolerable itching, but this quickly subsides on the removal of the disease by B. B. B. Passing on to graver yet prevalent diseases such as scrofulous swellings, humors and scrofula, we have undoubted proof that from three to six bottles used internally and by outward application (diluted if the skin is broken) to the af-

fected parts, will effect a cure. The great mission of B. B. B. is to regulate the liver, kidneys, bowels and blood, to correct acidity and wrong action. of the stomach and to open the sluiceways of the system to carry off all clogged and impure secretions, allowing nature thus to aid recovery and remove without fail bad blood, liver complaint, biliousness, dyspepsia, sick headache, dropsy, rheumatism, and every species of disease arising from disorder of the liver, kidneys, bowels, stomach and blood.

We guarantee every bottle of B. B. B. Should any person be dissatisfied after using the first bottle we will refund the money on application, personally or by letter. We will also be glad to send testimonials and information proving the effects of B. B. in the above named diseases on application to T. Milburn & Co., Toronto, Ont.
