-08-SDAY, JULY 19th, of the new Church, now me amusoments, games, &c., will be a large and well stocked the in connection. trainswell be run over the B. I. Railway. and the service matting of the r hold in the Freeman. I the strend. I the strend.

A NEW whale back barge was here last week with coal for the Railway. The barge is owned by the Glase Bay Mining Co., and is sapable of carrying about 400 tons of coal. The barge was towed here by the tag C. M. Winch, as by this means

by the tag C. M. Winch, as by this means they are taken from place to place. Two more barges of the same also are being built for the company, at Mahone Bay, N. S., by John H. Zwicker. The designer is Eben Messley, the voteran naval archi-ised, of Darimouth, N. S. Capt. W. H. McGillevery, who was in command of the barge here last weak, bollows that by this new mode coal can be transported as maphy H act cheaper than by the present method.
