The Leader of the Government.

Hon. P. L. Haszard, Pre-Premiership? mier of Prince Edward Island, occupies a rather anomalous position. The Leader of a Provincial Government should be free, and independent of all influences that could in any way hamper him, or pre the Province which he rules. He should not be handicapped by any preexisting relations, Civic or Federal the Province's best interests. How does Premier Haszard honesty and maladministra stand in these particulars? In tion, they have reduced the of the city of Charlottetown. undivided energies in favor of The Patriot, the Government the Province, in any matter organ, has already afforded involving contending Civic ample evidence of false and and Provincial claims. Then deceptive tactics intended to again, he is the law agent in hoodwink the people. The this Province, of the Minister manipulation and falsification of Justice in the Federal of the Public Accounts, con-Dominion Government, and fabric of falsehood and therefore, in any dispute be- misrepresentation, and the tween the Federal and Pro-start here made has been vincial administrations he is amply enlarged by the Govnot, and cannot be, a free and ernment supporters in the independent advocate of Pro. Legislature and by their obsevincial claims against the quious organ. authorities at Ottawa. We No attempt is made by the of heart trouble. He was 72 have, at the present time, Government, to defend the years of age and had been Prime large claims against the Do- record of the Liberals. in minion Government, and, at power for the last seventeen the recent session of the Leg- years. As a matter of fact islature a commission was this record is not alluded to

as expressed by their repre-ment organ. he refused to furnish neces- appear from the figures, as allowed, or what progress has sary information on public given in the public accounts, been made?

Beware of Deception.

There never was a time in the political history of this Prorince when it behooved the vent him from exerting all electors; the tax payers to be his energies for the benefit of more strictly on their guard the present. The Local Gov ernment, aware of their untenable position, and of the that might militate against deplorable condition to which. through their political dis the first place he is Recorder Province, will not hesitate to employ the most desperate be free to throw his best and of concealment and deception. But the Government and the containing all this information is a new one that never was made Cabinet; for which he restituted a base of misleading are the false and deceptive swarded him \$164,000. ceives large fees from the data on which to erect a tactics of which the people This is how the money goes must be aware.

at all: it is scrui claims. At the head of this commission stands Premier Haszard. Is he in a position to press those claims as per-stores, and their organ out.

The flippancy with which the flippancy with which the sistently and vigorously as side the House, devote their leads of the Local Opposition. as the large amount of the large amount of
