And marches off with cheery song.
To toil for mammon all day long;
To toil for mammon all day long;
But Sunday sleeps till moon, and their
Loiters to church and alcope again,
Returna y jais, takes a ride,
And deems his God in glorified?
Is he the Christian? Nay, I paint
The features of a modern saint.
Who is he then, the Christian man?
Point out the noble hearted dan,
Is it he, the pious soul, who feat
For presching by his chants of praise,
And gives for fuel and repairs,
His exheritations, psalms, and pravers
Then sits and sings with holy giee,
[Im glad, I'm glad safvations tree;
Nor of the wealth which heaven has
Will grey yield the Lord a cont?
Is he the Christian? If he be,
Salvation must, indeed, be free.

ried.

The Council met; all the members presents Moved by John F. Andrew, seconded by James Crawford, that this Council do offer for sale to the highest bidder the timber on the public highways of this township, and that the Clerk be instructed to prepare a By-law to this effect. Carried. Moved by James Crawford, seconded by Patrick Clare, that the sum of \$150 be expended in each of the five wards, over and above all former appropriations, and that the sum of \$250 be expended on side line 3 and 4, E. D; \$200 of and money to be expended south of an outside the sum of \$250 be expended to side line 3 and 4, E. D; \$200 of an outside line 3 and 4, E. D; \$200 of an outside line 3 and 4, E. D; \$200 of an outside line 3 and 4, E. D; \$200 of an outside line, and the concession is sufficient to the sum of \$150 of an outside line and line

JOHN COOKE.

Mr. Walter Lynch 'arrived here yesterday, evening on the Schirk, bringing with him a company of thirty families, all from the vicinity of London. They come properly the without the walter of the here to go to work on their locatities at any less than 10 go to work on their locatities at any less than 10 go to work on their locatities at any less than 10 go to work on their locatities at any less than 10 go to work on their locatities at any less than 10 go to work on their locatities at any less than 10 go to work on their locatities at any less than 10 go to work on the location in the more than 10 go to work on their locatities at any less than 10 go to work on their locatities at any less than 10 go to work on their location and limber wagons and the locate at from the best herds in Ontario. This is an enterprise which involves a heavy outlay of money, and one which, we hope, will prove as profitable to Mr. Lynch as it must be beneficial to the country. The portion of the herd now here, consists of a bull, a co and two heifers. He has also two thorough bred stallions, and and other the seek will be brought in here after.

The party is now busily engaged in rigging uptheir wagons, and will at once take up the line of march for Lake Manitoba, on the shores of which they intend to locate.

Another party of fifteen or twenty families, from the same neighborhood, may be expected in a fortaight. We will the method of the here of the same neighborhood, may be expected in a fortaight. We will the welcome, and hope their most sanguine expectations will be more than realised.

Lavender and pale blue tinted cards are considered in New York more stylish for visiting cards than the pure white.

Lavender and pale blue tinted cards are considered in New York more stylish for visiting cards than the pure white.

Lavender and pale blue tinted cards are considered in New York more stylish for visiting eards than the pure white.

Linen collars are now worn square instead of pointed back and front, and are instead of pointed back and sleeves are more in favor this means than they have been for several years.

Plain tulle veils, with the Spanish lace back of round hats, fastened by a large it pip.

A new style of necklace is a tortoise shell chain, to which are suspended small elep a little. Then she lay back, drew a heavy sigh, and elept; but it became one's and more still, and her face was so dull of peace and joy, it was as if the sun since dupon it; then they said she was feeld.

She was laid in the black coffin, 'endowed in pure white linen; she looked be beautiful, and yet here yes were closed. But all the wrinkles were gene; a sweet smile played around her mouth; her hair was so silver-white, so honorable, no one old be afraid to look at her; it was still P

ing, now that the half is to be more plainly arranged.

It very pretty travelling dresses are of y light blue ladies' cloth, worn over black is sike, and trimmed with black braid and neath buttons.

Sharp-faced girls ought to wear broatherismed flat hats. Round cheeked ones, if discreet, will confine themselves strictly to turbans.

The new styles of bonnets for next fall are said to be something really new, and many milliners think that they will have be thire a few people to wear them, so as to get geople used to their decidedly unique appearance.

WHAT IS VITALITY!—Some philosophers call it Animal Magnetism, some Nervots Force, others Caloric, but by whatever mame it may be talled, the thing meant is the main arms of existence; it is the well ving know; the dead know the dread well and the main arms of existence; it is the well ving know; the dead know the dread well and the palm-book of the plant o
