

WITH THE FARMERS

THURSDAY'S GRAIN MARKETS.

Winnipeg, April 9.—All wheat markets were strong at the opening on higher cables, but fine weather soon knocked the bottom out of the market. There was fairly active trading on the down grade and indeed, as one trader remarked, "they go on and feel the sun on their backs and come back and unload wheat." The range was wide. Chicago May selling up to 92 or 94 on Wednesday's and dropping to 89; finally closing at 89, or 1/2 under Wednesday's close. July, after a range of 2 cents, closed 1/2 to 1/4 lower and September, after a range of 3/4 closed 3/4 lower. Fair drop in Minneapolis was straight 3 for May and July and 1/4 for September. There was pretty active trading in Winnipeg, where the range was three cents for May with close 2 1/2 lower, July had range of 3 and a drop of 2 1/2, but October was unchanged. Fine weather for seeding was the great factor.
