TORIC LENSES

ARE MORE BECOMING THAN
FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Toric Lenses much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.

To the Travelling Public.

NOTICE!

Mail cars are not passenger cars, but are for mail purposes only. None unless duly authorized is permitted to travel in them. The names of all who enter the mail cars will, hereafter, be reported by the Mail Clerk in charge.

As failure to so report, and the admission of unauthorized persons will, in future, involve suspension, and probable dismissal, the public is asked to relieve the Clerks from the embarrassment which refusal involves.
