**PROSPECT OF RUSSO-POLISH
PEACE BRIGHTER.**
RIGA, Latvia, Sept. 24.
Adelphi Joffe, head of the Soviet
Peace Delegation, at today's session
of the Russo-Polish Peace Conference,
proposed an armistice, which he said
might be accepted by the Poles with-
in ten days or the Russian winter
campaign would be inaugurated,
which Joffe declared the Soviet gov-
ernment desired to avoid. M. Joffe
presented his proposal by offering to
withdraw virtually all the fifteen
points submitted at Minsk, to which
the Poles objected. The Soviet
ambassador terms, which M. Joffe said
the Soviet Central Executive Com-
mittee in Moscow decided upon yes-
terday, eliminated virtually all con-
ditions designed to Sovietize Poland
and abandon the Russian claims re-
garding Galicia. M. Joffe's proposal
made the prospect of peace much bet-
ter than hitherto.

RUSSO-POLISH PROPOSALS.
RIGA, Latvia, Sept. 24.
Following the presentation of the
Soviet peace proposals at today's
session of the Russo-Polish Peace
Conference, M. Dumbski, Polish Un-
der-Secretary of Foreign Affairs,
presented the preliminary Polish
terms, which had been prepared be-
fore M. Joffe's offer. They were in
reply to the new Soviet propo-
sals.

WHEAT PRICE COLLAPSE.
CHICAGO, Sept. 24.
Big breaks in the price of wheat
took place today, largely as a result
of the agitation for general cut in
food costs. The smash of values in
wheat amounted to as much as 12.4
cents a bushel, and the market closed
in a semi-demoralized condition, with

December delivery at 2.25 to 2.25 1-2
and March 2.15 to 2.16. In sympathy
with the weakness of wheat other
grain markets also gave way, and
both corn and oats fell to the lowest
price levels yet for the 1920 crop.

A BIT OF A MUDDLE.

LONDON, Sept. 24.
The miners' decision today to ac-
cept the threatened strike, afforded
a ray of hope for peace in an other-
wise gloomy situation. A meeting of
the Triple Alliance, comprising rep-
resentatives of the Miners, Railways,
men, and Transport Workers also
was held today, but the results of
its proceedings are not announced.
There apparently is a serious split in
the labor ranks over the proposed
strike, a large body opposing such
action. The miners themselves are
far from unanimous for it, but the
majority have thus far insisted upon
keeping to their proposed course of
action.

STRIKE POSTPONED.

LONDON, Sept. 24.
The coal miners of Great Britain
will not strike Monday as threatened.
As a result of a meeting between
Lloyd George and Miners' Executive,
strike notices have been suspended
for a week.

200 JEWS MURDERED.

LONDON, Sept. 24.

killed in Galician Pogroms instituted
by Ukrainians, according to a de-
spatch from Kovno.

CAUSE OF DESCHANEL'S RETIRE- MENT.

PARIS, Sept. 24.
Melancholia, induced by extraor-
dinary sensitive conscience was re-
sponsible for the tragic end of the
President of the Republic, Deschanel,
according to an executive article in the
Journal Du Peuple.

PRICE OF WOOL GOES DOWN ALSO.

CLEVELAND, Sept. 24.
Price reduction of 13 to 20 per cent.
in wools was announced today by of-
ficials of the Cleveland Woolstap-
ping Company. Lower costs of raw materials
were given as a cause. The reduc-

ATTENDING CONFERENCE.

BRUSSELS, Sept. 24.

as many advisers and secretaries have
arrived here from forty states for the
International Financial Congress or-

Allied and Associated states and all

RIOTING AT TURIN.

ROME, Sept. 24.
Disorders continue at Turin and
rifle firing sometimes assumes the
character of a battle. Three more
persons have been killed. A bomb
thrown in St. Carlo's Square injured
no one. The police and military have
made two hundred arrests.

STILL A MYSTERY.

NEW YORK, Sept. 24.
The cause of the Wall Street ex-
plosion tonight was unknown to the
police and Federal authorities as it
was when it occurred nine days
ago. The theory that an accident,
probably a collision, caused the ex-
plosion as reported today, to have
been cast aside by the September
Grand Jury here.

A MACSWEENEY STATEMENT.

LONDON, Sept. 24.
A statement issued today over the
signature of members of the family
of Terence MacSweeney, charges the
British press with distorting reports
concerning the Lord Mayor's condi-
tion. It asserts that the government
asked the newspapers' proprietors
"if certain information should come
to their knowledge to withhold it from
publication." The statement announ-
ces also that the MacSweeney family
will cease to give to the British press
any statements concerning the Lord
Mayor. Frequent bulletins, however,
will still be issued to foreign press
representatives in London.

Pleasing Presentation.

At Kilbride Hall, on Thursday night,
a pleasing presentation took place,
when Rev. Father Coady was present-
ed by his parishioners with a purse
of gold and silver. Father Coady
has recently been transferred to
Tor's Cove, and this being the first
opportunity the people of Kilbride
had of meeting him since a large
crowd assembled. Many kindly re-
ferences were made to his excellent
work in the parish. In thanking the
donors for gift and sentiments ex-
pressed, Father Coady hoped that the
same loyalty and co-operation would
be given Rev. Father Rawlins, the
new pastor.

Harbor Main are now being taken and
will be probably finished by the end
of the present month. So far no pro-
clamation for an election has been
issued, but it is understood that it

the date at October 25th. The can-
didates for the Government are said
to be Dr. Campbell and E. Leo Car-

Is He Seventeen or Eighteen?

Do you remember those
ages, when your character
was being formed—how you
followed examples, did what
other people did—your senior
years at school—your start in
business? Recall them if you
can. You gained a know-
ledge you will find useful
when your own boy starts out.

Give him the right start.
Teach him the value of
personal appearance and self
respect. Tell him how con-
fidence may be gained merely
from a clean shave—or, better
still, *show him—and show
him in a practical way.*

Give him a

and make his morning shave come easy. The old time pulling and scraping is a thing of
the past. The haphazard element is gone. There is no need for your boy to know
anything but the ease and comfort of the Gillette shave. It is the razor of his time—that
to which he is entitled—nothing more, nothing less.

Sold at most stores catering to the needs of men.
