—and more so

We would get out of bed to write a policy—to place a new assured on the Company's books, but we are just as eager over settling a claim as writing a policy—and more so.

Experience has proven that our 53 claims paid since November, through their prompt, generous settlement, have given us more new business and better publicity than all our advertising.

We have paid Sickness and Accident Claims since 1896. In 28 years, Total Claims exceed \$97,000,000.
