The Overthrow of the Government.

In other parts of the world disturbances which shake countries to their very foundations thing ever produced here. occur at certain intervals, but here in Newfoundland we are fortunately unfamiliar with volcanic eruptions or the devastating effect of earthquakes. Our thrills for the most part are of another kind, but they are none the less sensational, none the less dramatic, and baby, Miss C. Parsons, Miss M. Pownone the less destructive because they are of a political rather than of a physical nature.

Unfortunately they have been baby, Miss C. Parsons, Miss M. Powers, Miss S. M. O'Reilly, J. B. Mahar, Roy S. Grandy, D. L. Campbell, D. Tobin, E. Wolfe, and about 50 second the result is so apparent that many a mother in the audience weeps with her. In selecting the three principals we are not at all unmindered and the control of the most prominent of Newfoundland's politicians and lawyers. The late Mr. Morison, since principals we are not at all unmindered than the occurred yesterday at Los part, she lives it, and in two places at least the result is so apparent that many a mother in the audience weeps with her. In selecting the three principals we are not at all unmindered than the occurred yesterday at Los part, she lives it, and in two places. California, removes from the less of the control of the most prominent of the second of t quent intervals.

Yesterday the country experienced another of these periodic shocks as a result of which an administration formed just base for a few minutes and col-

loval co-operation and the a.m. on the 23rd, going West. loyal co-operation and the sinking of political differences to place the ship on an even keel again and resume the voyage.

that it was necessary in the in- any of them .- apr25,11 terests of the country to precipitate this crisis. Undoubton the spur of the moment, but was the result of careful thought and consideration of the consequences. It is somewhat disturbing, however, to be unable to learn what a learn what disturbing to some what disturbing the some what disturbing the some what disturbing the some what disturbing the some was also some which left port aux Basques yesterday morning has been delayed at King's Brook owing to a snow storm which sweet along the toast list:

oration, and those who appreciate the call thing must revel in the beauty of the scene. To the stage crew who accomplish these wonderful translations in such a short time I can only ay "Well done!"

Of the players—all are splendid. In all the productions the weight of the story must fall on two or three perstory must fall on two or three perstory. Chi Lung (Dr. Howlett), National and those who appreciate the board and those who appreciate the beauty of the disappearance of Ashton Joliffe all four ships, Stella Maris included, reported to the Minister of Posts and Telegraphs last night, crews on board and well.

The Sable I. arrived at Argentia yesterday morning and her crew went by train to their homes. The manner in which her seals will be disnosed of has not yet been determined. sons. Chi Lung (Dr. Howlett), Nationi (Miss Keegan) and Lady De La Haye (Mrs. Hutton) do not play their parts, they live them. The papers have truly said of Dr. Howlett that "he is above criticism" in his portrayal of the Oriental Diplomat. Miss Keegan as Naomi Melsham intervents.

Obituary.

DONALD MORISON The death of Hon. Donald Morison, K.C., which occurred yesterday at Los his retirement from public life, some years ago, had not been in the best of health and it was in an endeavor cure his bodily ills that he settled in Mr. Morison was born in St. John's

St. John's has ever seen.

I understand that to-night is to be Bar. He immediately entered into the last performance of this most won-derful piece. The public should de-monstrate its appreciation by packing wards Winter, Morison, and Hayward wards Winter, Morison, and Hayward, occupied a foremost place in the profession until its dissolution, upon the fession until its dissolution, upon the appointment of Sir James to the Supreme Tribunal. In 1831 he entered the political arena as member for Bonavista, which District he represented for fourteen years. In legal practice he was at different times senior partner in the firms of Morison, Morine and Gibbs, Morison and Hutchings, Morison and Knight and Morison and Hunt. In 1894 he became Attorney General. Four years later he followed his former partner to the Supreme Bench, where he sait that been to these are years past, and yet with more promise of better things. So to the Commons, where the motion made for the Address in reply by Mr. Brown and Mr. Scammell. Mr. Higgins then to speak for the Opposition, a hot discourse, and takes the Government to task for the Opposition, a hot discourse, and takes the Government to task for the Opposition, a hot discourse, and takes the Government to task for the Opposition, a hot discourse, and takes the Government to task for the Opposition, and takes the Government to task for the Opposition, and takes the Government to task for the Opposition, a hot discourse, and takes the Government to task for the Opposition of the Oppositi came Attorney General. Four years later he followed his former partner to the Supreme Bench, where he sat until 1922, when he returned to the Bay will again return him. Morebest of those who would invest their capital in the natural resources of the country.

The downfall of the Warren Government has come at a moment when the country required above all else a period of rest and quiet to recover from the effects of the sickness and distress by which it has been stricken during the past five years. It was anticipated that there would be at least a brief respired from the grant for industries, we might make a determined effort by loved for industries, we might make a determined effort by loved for industries, we might make a determined effort by loved for the survey of political differences are the success of this parking plays assured. The one-one makes of the success of the sparking plays assured. The one-one makes of the country the past five years as meaning part of the success of the suc

STAFFORD'S Sarsaparila

FOR THE CURE OF

Skin Diseases, Anemia, Lack of Blood, Paleness Impure Blood, Lack of Ambition and Vigor, Debility, Weakness, Tired Feeling, Boils. Pimples, etc.

THERE is no Remedy of more universal application than a genuine true-and-tried Blood Purifier and Blood Builder. A medicinal preparation that will truly purify, revitalize and renew the blood, restores hope and pleasure, ambition and happiness, vigor and vitality. It is of inestimable value not o as a strengthener of the system, fortifying it against invas of disease, but also as a cure for Chronic Diseases which pend upon an impoverished condition of the blood. Diseases this nature are usually caused by impurities in the blood of posited through the inactivity of the Liver and Kidneys.

These secretions if not removed from the circulation, grade ally form poisons which deteriorate the condition of the blo and allow other diseases to obtain a more ready entrance to t system. In the effort of nature to throw off these impurities frequently pimples, boils, carbuncles, etc., appear, and it wise to respond promptly to the Warning of Nature.

THIS SARSAPARILLA

is a genuine preparation scientifically prepared from the best and purest remedies for the purifying and rebuilding of the blood. It should be taken every spring, as at this season the blood is more apt to become impure and impoverished. Keep your blood in perfect condition and you will be prepared to fight life's battles with greater success.

One Bottle of this Blood Purifier is all that you will need to take to produce results. TRY A BOTTLE.

PRICE 50c. POSTAGE 20c. EXTRA.

Delightful Feast of

The Archie Harrod Jubilee Singers staged the biggest programme of song Ther. 40. heard in St. John's in a decade, which delighted last night's audiences. The programme contained all the variety that could possibly be de-sired by lovers of good music. The opening number was a beatiful quin-tette entitled "Moonlight on the Lake," which was rendered with excellent blending and feeling. Miss Ruth Mayo sang "Linger Awhile" with an unusual brillance and re- ed out 9,160 you ceived a hearty ovation. Mr. Archie and will finish Harrod was heard for the first time noon. The young harps are a n a Reading, and the spark of hu-mor which he so masterfully injected created quite a lot of laughter from his hearers. His song "Marching Through Georgia" made an in-stantaneous hit, as it was rendered with that genuine feeling that strikes right home to lovers of sweet Southern airs. Miss Mathilda Walton's rich Contralto voice was heard in all it

Trio), and as a finale "Hallelujah" what I like best rendered by the entire company.
In brief the above bill is one of exceptional value, and all who like good vocal music should avail of the opportunity to take it in to-day or to-morrow. The picture programme also is well forth seeing as it contains Peter B. Kyne's great Cosmopolitan Magazine story "Bauk to Yellow Jacket." Watch for "The Westbound at 2.30 p.m. from his left to mourn. Find the westbound at 2.30 p.m. from his left to mourn. Ltd.," which is to be shown on Mon-day. It's a drama of steel and flesh, featuring Ralph Lewis in the greatest role of his career.
