HOLD ENTHUSIASTIC MEETING AT BROAD COVE.

Last evening the West End candi-Linegar and Browne, were at Broad in the school house which was crowded to the doors. There were about one hundred and twenty voters present, besides several men from Bell Island and adjacent settlements. Mr. Fred Tucker was moved to the chair, and in a fine speech introduced the speakers of the evening, paving a high tribute to their standing citizens and to their worthiness as representatives of the District. Mr. Linegar, who was the first

speaker, dwelt particularly on the labor situation and the conditions prevailing in the city. His address was followed with keen interest, and at the close he was generously applauded.

Mr. Browne was also tendered hearty reception on the opening of his speech, which was a very fine one. He dwelt on the disruption of the Government and explained how it was that the late Government was unable to continue, controlled as it was by Sir William Coaker. He then referred to the amalgamation of the Hickman and Sir William Conker, which he termed the "unholy alliance." Following on, the speaker discussed the Hickman Manifesto, and showed that it was insincere and impossible of performance, Mr. Browne was in good form and as he brought out point after point he was warmly

The country has seen the result of Coaker rule, and its impossible ideas, now Mr. Monroe comes with a new clean-cut policy intended to save the country from the ruin which is now impending. Every man of the party is pledged to carry out this policy and not a member has been comised anything, all are out for ne purpose, namely, "Clean up, keep clean and a square deal to all." The meeting closed with ringing cheers for Monroe and his candidates, Crosbie Linegar and Browne, and as the coming representatives left the settlement they were accorded a great send Thus another section of St John's West has spoken, and as all the others, it has shown its desire for clean Government, HIGGINS, FOX AND VINICOMBE

CAMPAIGN. The fighting Trio Higgins Fox and Vinnicombe held two very successful meetings yesterday. Early in the night the electors of the Lower Battery gathered in the spacious store of Mr. Josiah Vatcher and quickly filled it to its utmost capacity, tendered a hearty welcome to the Liberal-Conservative, candidates. A prominent and highly esteemed citizen, Mr. Josiah Vatcher was unanimously elected Chairman, and in encouraging terms called upon the Fighting Trio to speak. As the promises and pledges of the Monroe policy were set orth rapt attention was paid the candidates and in whole-hearted endorsation each argument spontaneous applause punctuated their stirring adresses. A vote of thanks to the chairman and the singing of the National Anthem brought to a close one of the most successful meetings ever held at the Battery.
