Crop Damage in Kansas. Chicago, June 6.—Sensational crop damage reports from Kansas counties, heretofore believed safe from harm, gave wheat an upward whirl today. The close was firm at an advance of 5-8 to 7-8 and 1 cent net advance. Six hundred thousand acres of wheat in Salina, McPherson, Rice and Ellsworth counties, Kansas, which have been credited with an average condition of 35 per cent, were declared by experts to have receded to a condition of 50 per cent. The last named figures were said also to make wide allowance for possible benefit from future rains. Because of hot winds, a huge share of the grain in the section named was said to be actually dead, and the situation in general far worse than had been expected.

Congestion in the July option here added to the fears of shorts. There were signs that July contracts were largely held by strong interests and might be forced to a stiff premium over September. On the other hand, St. Louis reported July relatively weak owing to the nearest of new wheat and because of threatened insurance difficulties. Profit taking led to a decided set-back at one stage but the upward tendency was again in full swing at the end.

Seaboard's clearances of wheat and flour equalled 1,125,000 bushels. Primary receipts of wheat were 581,000 bushels, a year ago 222,000.

Press Club Meeting. The Press Club will meet this afternoon in the home of Miss Walters, 1748 Seventh Avenue West, at 3:45. An important business is to be transacted. It is requested that all members be present and on time.

Ciderella Club Dance. The Ciderella Club will give their usual dance in Moose Hall this evening. The 103rd orchestra will be in charge of the program.

Struthers—Hall. At the home of Mr. and Mrs. John Brown, 1518 First Street N. W., Crescent Heights, Miss Isabella Hall, of Glasgow, Scotland, became the wife of Mr. John Struthers, of Calgary. The wedding was performed by the Rev. J. B. Francis. Mr. and Mrs. Struthers will reside in Calgary.

Irwin—Booth. A very pretty wedding took place at the Crescent Heights Methodist manse on Wednesday evening, when the Rev. William Irwin, of Bellevue, Alta., was united in holy matrimony to Miss Laura Booth, of Toronto. The bride, who looked charming in a wedding gown of white satin, was assisted by Miss Irwin, of Calgary, while the Rev. Robert Irwin, of Fifthburn, brother of the groom, acted as best man. After the ceremony, which was performed by the Rev. J. B. Francis, the party sat down to a dainty supper. Rev. and Mrs. Irwin will reside in Bellevue.

JAPAN REPLIES IN VERY QUIET MOOD

Washington, June 6.—Japan's rejoinder to the United States' reply to her protest against the California alien law, delivered personally by Ambassador Chinda to Secretary Bryan late yesterday, sets out why the Tokyo government continues to regard the

Webb law as discriminatory against Japanese; in derogation of the equality of treatment prescribed by international law, and a violation of the treaty of 1911. Nothing in the nature of an ultimatum is contained in the note. The general tone is to invite further discussion on the controverted points, and it contains nothing threatening to make up a final issue. Secretary Bryan and the ambassador agreed that no details should be made public.

PALACE WILL HAVE THEATRE FOR MOVIES

London, June 6.—A cinematograph theatre is to be installed at Buckingham Palace for the benefit of the younger members of the king's family and their friends. The primary reason for the action is that the king and

queen guaranteed cinematograph entertainments of high educational value. A small salon has been set apart for the purpose and the canvas is comparatively small, but the apparatus will be of the latest type and the king and queen are looking forward to have a picture palace on the spot. The work is not to be put in until their majesties leave London for Cowes.
