## Lynching On Decrease In Southern States

I send you the following concerning lynchings for the past year as compiled by Tuskegee Institute in the Department of Records and Research. I find there were 16 persons lynched in 1924. This is the smallest number lynched in any year since records of lynchings have been kept, and is 17 less than the number 33 for the year 1923 and 41 less than the number 57 for the year 1922. 9 of the persons lynched were taken from the hands of the law, 6 from the jails and 3 from officers of the law outside the jails.

There were 45 instances in which officers of the law prevented lynchings. 2 women, 1 white and 1 colored, were among those thus saved. 8 of these preventions of lynchings were in Northern States and 37 in Southern States. In 36 of the cases the prisoners were removed or the guards augmented or other precautions taken. In 9 other instances, armed force was used to repel the would be lynchings. In 4 instances during the year persons charged with being connected with lynching mobs were indicted. Of the 19 persons thus before the courts only 5 were convicted. These were given jail terms.

Of the 16 persons lynched all were Negroes. 7 or less than one half of those put to death were charged with rape or attempted rape.

The offences charged were: murder, 1; rape, 5; attempted rape 2; killing officer of the law, 2; insulting woman 3; attacking woman, 1; killing man in altercation, 1; wounding man, 1.

The states in which lynchings occurred, and the number in each state are as follows: Florida, 5; Georgia, 2; Illinois, 1; Kentucky, 1; Louisiana, 1; Mississippi, 2; Missouri, 1; South Carolina, 1; Tennessee, 1;

## OFFERS LYNCHING EVIDENCE

By the N.A.A.C.P. Press Service—

Walter White, Assistant Secretary of the National Association for the Advancement of Colored People, who recently investigated the lynching of 15-year old Sammie Smith in Nashville, Tenne., has written to Judge J. B. De Bow, sending his report on the lynching and offering to appear in person before the Grand Jury.

Mr. White's letter is as follows:

"I have just seen the newspaper announcement of the naming by you of a special Grand Jury to go thoroughly into the lynching of Sammie Smith on December the 16th. I was in Nashville to cover the lynching for the New York World and while there secured information which perhaps may be of value to you and to the Grand Jury in its inquiry. I am therefore enclosing copy of the pertinent portions of my complete article for whatever use is possible in getting at the bottom of the lynching.

"I also wish to advise you that if I can be of any further assistance, I shall be glad to render it. If necessary, I will be glad to appear in person before the Grand Jury."
