Molders' Wages.

Detroit. June 17. - Last night the conference between the foundrymen and the Molders' Union of America, which has been going on for three days, came to an end. The attempt to arbitrate the wage question was a failure, the demand of the molders for 25 cents raise being refused. When the demand was first made last

April, the foundrymen granted a raise of ten cents a day to continue until July 1, when this conference would have decided the question. At yester-day's conference the foundrymen voted down a proposition from the molders to continue the ten cents extra for a year, and wanted the molders to con-sent to having it taken off. This the molders did not do, but it remains to be seen whether it will be done. It was agreed to settle disputes in several parts of the country by arbitration in the localities in which they have arisen. Since then subscriptions had continued to come in, and by May 30 the total had reached \$826,580 34. Dr. Potts declared that he had reason to believe the fund now amounted to \$850,000. Of this amount \$111,033 68 had been paid in cash, of which \$37,975 05 came from this conference. He was glad to whisper to delegates that on this amount he was getting 4 per cent interest. Ross, with 90, was third, and Pte. Hayes, with 89 points, stood fourth. Special prizes at 200 yards were won by Lieut. Murphy and Sergt. Robson, who stood tie, both making possibles. Dur-ing the afternoon the former made two possibles. Pte. Hayes won the special prize at 400 yards, making 24 points out of a possible 25. The festival of Corpus Christi was celebrated yesterday by the Roman Catholics of the city. Rev. Father Mc-Keon said mass at 7 o'clock, and 8 o'clock. At the latter there were 74 children, who took their first Holy Communion. The girls were all dress ed in white and wore wreaths and vells, while the boys wore dark suits and white rosettes. At 10:30 o'clock the children again assembled for high mass, which was celebrated by Rev. Father McKeon, and immediately afterwards they assisted in the Corpus Christi procession, in which the following partici-pated also: The separate school board, St. Vincent de Paul Society, the C. M. B. A., the Catholic Order of Foresters, the young ladies of the Sodality of the Blessed Virgin, the Children of St. Mary, the Consolers, the altar boys, and the children of the separate schools. Each society were their distinctive badges. During the march around the grounds, the Blessed Sacrement was carried by Rev. P. J. Mc-Keon, who was assisted by Rev. Father Reon, who was assisted by Rev. Father Egan, secretary to Bishop McEvay, and Rev. Father J. J. Durkin, O. P., of Memphis, Tenn. The Blessed Sacra-ment was exposed during the afternoon for the veneration of the faithful, who attended in very large numbers. Rev. Father J. C. Aylward had been pre-paring the children who took the Holy Communion for the past few weeks. The splendid singing of the children, and the Sodality choir, was due in large measure to the efforts of Miss Katie Moore, who had been training them for some time. In the evening a special musical service was given, at which an offering was collected by six young ladies, Miss Katie Howe, Miss M. Mulligan, Miss Teresa Ronan, Miss Lena Howe, Miss Maggie Fox and Miss Bessie Dwyer. The sermon, which was evolved from the parable of the Good Samaritan, was delivered by Rev. Father Traher.
