Best Friend of the Czar in

Siege or Battle.

New York, July 27. - Although well-

nigh uninterrupted success has attend-

ed the operations of Japan, both at sea

and on land, since the beginning of the

sition at the present moment is far

more critical than that of her foe, In

fact, her straits are so desperate that

she would welcome any foreign inter-

vention that would enable her to con-

that the fall of Port Arthur, which, ac

cording to the military authorities

clude an honorable peace, and hopes

25 and 30, will render Russia willing

This statement will probably be re-

to entertain proposals of mediation.

ceived with incredulity by those wh have seen Japan winning victory after

victory and carrying everything before

her, but who fail to take into account

the cost. The latter has been more

heavy than the land of the rising sun can bear. She has reached the end of

her financial tether. Her resources ar

exhausted, and it is because the strai

has reached its uttermost limit that Marshal Oyama has been ordered

ssume supreme command in the field

with the object of hurrying the cap

ture of Port Arthur, of hastening operations against the enemy, and

precipitating all pending battles,

that Japan may be able to present

brilliant showing at the moment

the near future when she is forced

few more victories would place her i

a position that would enable her to en

tertain this offer of mediation upon

which the hopes of all thoughtful men

in Japan are based, and there is every

reason to believe that all the arrange-

ments have already been made to have

these offers presented at a given mo-

ment to both combatants by certain of

the western powers. Offered in the in-

terests of international peace they

would serve only Japan, and not Rus-

sia, and, as such, are certain to be re-

For the longer that the struggle ear

be prolonged, the more certain is the

Muscovite Empire of ultimate victory. Russia has no more faithful and

effective ally than Father Time, and,

appreciating this, sne would not dream

of rendering nugatory his assistance in

brought to a-for her-premature ter-

al skill and by a perfection of organi-

zation that, in the opinion of western

naval and military critics, have been
