ENEW SERGEANTS MESS

The Sixth Field Battery Have Furginished Room in the Armories.

Batery have raised a sum of money by subscription for the purpose of furnishing an apartment in the east end of the armories on the second floor, to be used as a mess room. Every effort will be made to maintain the battery in the high state of efficiency it has attained, and drill will be held Monday evening.

drivers in the battery, forming about half the corps, are drawn entire-ly from the county, but the gunners Presentation to Principal Tr Can't Afford to Reduce Naval are all city men. Most of the drivers owned the teams of horses they brought to camp, and since a dollar a day is allowed per horse, in addition to free feed, the artillerymen from the rural districts are well remunerated for the time they lose from work by

when these symptoms passed a feeling of exhilaration and strength was experienced, and greater zest was added to the appetite.

It was noticed that when the grip became epidemic in its intestinal form the hidrak eaters, and they alone, escaped its ravages altogether. So with other ailments. The fame of the with other ailments. The fame of the with other ailments. The fame of the miss purposes to the sergeants, knowing that the sergeants' mess is a great factor in keeping the men together.

As soon as camp was over the universal left for their homes, Nevertheless, it is the intention of the officers not to allow the battery to almost cease to exist, as do many of the rural regiments after camp time. For this reason the officers turned over the room allotted to them in the armories for mess purposes to the sergeants, knowing that the sergeants' mess is a great factor in keeping the men together.

On with other ailments. The fame of the ministry.

The Misses Jennings left this week for further information there are preparing to enter the ministry.

The Misses Jennings left this week for further information at visit to their sister, Mrs.

(Dr.) Ritchie.

Dr. A. S. Thompson, accompanied by his brother. Dr. Archie Thompson, of Grand Rapids, Mich., will leave on Monday to attend the National Eductional Convention at Asbury Park, N. J.

Mr. T. Dinsmore, the popular principal and not follow other nations in naval construction.

The officers were desirous of having large apartment for the rank and file n particular, which they would have had comfortably furnished and provided with the latest books and magazines. So crowded are the armories. owever, that no such apartment could be obtained. The battery expected that would have the use of most of the room on the second floor over the gun room, but this has been taken up by nembers of the divisional staff and

In fact, the opinion has been ex-About 100 pupils are trying the entrance artillery that these two corps have not all the room that should belong to them, and it is known that the officers of the Twenty-sixth Regiment believe that their corps should have apartments in the Armories, in which to store their arms and equipment, and to form a rallying point for the regiment. On the other hand, it is said that the Armories were built for the Seventh Regiment, and that the rural regiment, and that the rural regiment, and that the rural regiment, of course, occupy most of the interior of the Armories, having, in addition to the family of Rev P. Hebbelow. pressed by members of the cavalry and examination at the Collegiate Institute temperately disposed had no desire for intoxicating liquors. They experienced again all the buoyancy of youth, terior of the Armories, having, in addition to its company apartments, officers' and sergeants' messrooms, band and buglers' quarters, a large room for the quartermaster, and an apartment for the commanding officer and his immediate staff. Yet it is hard to see how the Seventh has any room to spare.

MOFFATT-FENWICK

A Quiet Wedding Solemnized in St water is fatal to fish, and ducks soon Peter's Cathedral.

> A quiet wedding was solemnized in Peter's Cathedral Wednesday evening last when Miss Mary Angela Fenwick was united in mariage to Mr. Henry G. Moffat. Rev. Father Alyward officiated. The bride was charmingly attired in cream crepe de chene with trimmings of cream satin ribbon and applique and wore a veil with the customary orange blossoms. She was attended by Mrs. E. Mallett gowned in white Swiss muslin and large picture hat. Both carried white carnations. The groom was supported by Mr. E. Mallett.

> After the ceremony the party proceeded to the home of Mrs. E. Mallett, Egerton street, and after congratulations partook of a dainty wedding breakfast. The table decorations were yellow and white. The young couple received many beautiful presents, among them being a handsome mantel clock and set of silverware from the employees of the Parisian Steam Laundry. Mr. and Mrs. Moffat eft later for a trip to Detroit and on their return will reside in the city. Their many friends wish them long life and abundant happiness.
