# AUGUST FURNITURE SALE

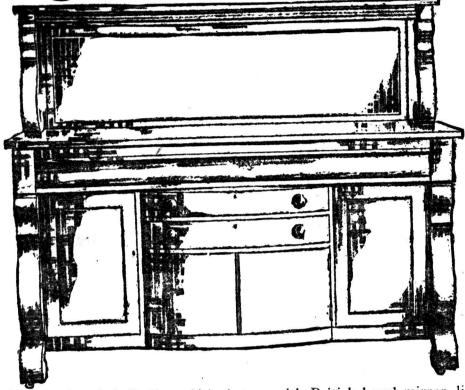

Our first August Furniture Sale will commence on Tuesday, August the second. For months we have been making preparations for this sale. As everyone knows, a Furniture Sale at this store is not a sale of shop-worn, damaged or out-of-date styles. We are less than one year in the furniture business, and most of the furniture to be offered during our August Sale has been purchased during the last six months, and every piece before the recent advance at the factories, the last, a 10% advance made in July, is that much more added to your savings on every piece of furniture you buy during this sale, making this an event of unusual importance. The great reductions on many lines of beautiful furniture and the great amount of furniture bought for this

in windows and Furniture Section, should be sufficient to convince every person with the slightest knowledge of furniture value or quality that this is the greatest opportunity furniture buyers have ever had in this city, and that August is the time to buy your furniture. We invite you to look, and assure you that because you come to see we do not wish you to feel under the slightest obligation to make a purchase. This we leave to your own good judgment. This sale includes every line of furniture-Parlor, Bedroom, Hall, Living-room, Den, Library, etc. TODAY WE MAKE SPECIAL MENTION OF DINING-ROOM FURNITURE.
