

Cairncross Likely To Be 1926 Trustee Chairman

Present Vice-Chairman of the Board of Education Being Urged To Run Again.

ELECTION PROSPECTS

Upon A. Roy Cairncross, vice-chairman of the board of education, more, perhaps, than upon any other individual, depends the personnel of that body next year. If Mr. Cairncross can be prevailed upon to stand for re-election, and strong efforts are being made toward that end, then it is a foregone conclusion that, elected, he will be chosen chairman of the board for the ensuing year.

With Mr. Cairncross as chairman, Trustee George F. Copeland, this year's chairman of the advisory vocational committee in charge of the technical and commercial high school, would be chosen, it is considered certain, as vice-chairman, while Trustee Norman F. Willmot, runner-up to Mr. Copeland last year for the chairmanship of the vocational committee, would in all probability be chosen to head that important committee.

It is understood further that the candidature of Trustee Bryden N. Campbell, past chairman, depends largely upon whether Mr. Cairncross stays in the field or not, as he has intimated in his personal inclination.

Trustee Rev. R. D. Mess, M.M., and Trustee Mrs. John A. Rose are both inclined to stand for re-election if they feel that the condition of their health permits, while Trustee J. B. Wright, the sixth member of the present board, who must face an election at this time, has definitely announced that he will not be a candidate.

Donald C. McNaughton, manager of the McCormick Mfg. Co., prominent in temperance, church and fraternal circles, has been approached to stand for election to the board next year. Mr. McNaughton did not, it is believed, turn a deaf ear to the suggestion made that he allow his name to go before the electors as a trustee.

W. A. Martin, coal merchant, who just missed being elected to the board last year, is also being urged to come out again as a candidate for the board, while other names heard as possible candidates include W. C. Benson, Leber Jones, Tom Yull, Heber Gibson, A. R. Kennedy and Wm. Turnbull.

At least one new appointment must be made to the advisory vocational committee this year owing to the removal of James Huxford from the city. It is likely that Harry Hayman, the second of the two members of that committee whose terms expire this year, will be re-elected because of the value of his practical knowledge as a contractor.

British Mails

MONDAY, NOV. 9, AT 10 P.M.

Correspondence specially addressed for the New York route to connect with the steamer Aquitania sailing from New York on Wednesday, Nov. 11.

TUESDAY, NOV. 10, AT 10 A.M.

Full mail for Great Britain and countries via Great Britain to connect with the C. P. R. steamer Empress of France, sailing from Quebec to Cherbourg and Southampton on the afternoon of Wednesday, Nov. 11. This steamer will also be used for direct mails for the continent, including direct parcel post for France.

THURSDAY, NOV. 12, AT 10 A.M.

Full mail for Great Britain and countries via Great Britain to connect with the C. P. R. steamer Montcalm, sailing from Montreal to Liverpool at 10 a.m. on Friday, Nov. 13. This steamer will also be used for direct mails for the continent, including direct parcel post for France.

THURSDAY, NOV. 25, AT 10 P.M.

Correspondence specially addressed for the New York route to connect with the steamer Majestic, sailing from New York on Saturday, Nov. 28. Mails for this steamer should be specially labeled therefor in order to preclude the possibility of their being forwarded by the steamer Leviathan, sailing on the same day.

FRIDAY, NOV. 13, AT 10 A.M.

Full mail for Great Britain and countries via Great Britain to connect with the White Star steamer Megantic, sailing from Montreal to Liverpool at 10 a.m. on Saturday, Nov. 14. This steamer will stop at Quebec.

PRAYER WEEK ON PLANS OF Y.M.C.A. IN THIS CITY

The Thanksgiving season will be celebrated as usual at the Y. M. C. A. Commencing tomorrow and continuing until Saturday, Nov. 14, a "Week of Prayer" will be observed in the local association, as in all the other Y. M. C. A.'s of the world. Services will be conducted at 9 o'clock each morning from Tuesday until Friday, inclusive, of next week. The theme to be developed is "God in Christ and Man's Need." E. J. Jenkins will conduct all the services, except on Monday and Thursday, when Rev. S. E. McKegney, D.D., will be in charge. It is hoped that all the members of the association will avail themselves of the opportunity to attend these meetings, which will prove most beneficial and interesting.

SLUGGISHNESS of mind and body points to deranged kidneys. Gin Pills will restore the kidneys to normal action and guard against more serious diseases.

UNIVERSITY IS FACING DEFICIT

Ontario Grants Counted On To Keep the Institution Going.

ASSETS \$2,200,000

Present Buildings Are Filled to Capacity and More Are Needed.

The University of Western Ontario this year faces a deficit of \$63,000, largely caused by the fact that the annual provincial government grant is made at end of the year instead of at the first, and Western has no endowment fund which can be used to tide over in the meantime.

Such was the gist of statements Lieut.-Col. Walter James Brown, executive secretary of the University of Western Ontario, made in an address last night at the inaugural monthly dinner of the University College Alumni association, at which that recently reorganized society made a good start.

The university, he declared, now needed more buildings, a greater endowment fund, dormitories for housing students, and a stadium. "While the provincial government has been very generous," he said, "at the same time, when the present administration started turning over the grant at the end of the year instead of at the beginning to all universities in Ontario, it put Western in a difficult position."

Big Interest Charge. "The University of Western Ontario is not like Toronto and Queen's, which have large endowment funds and statutory grants. It has only small endowment funds and these are used solely for scholarships."

While other Ontario universities can draw from these funds for maintenance, Western must go to the bank. In doing so it incurs an interest expense of about \$30,000 annually, which could very well be used for other purposes.

The new financial development of the university. Total annual receipts now amount to \$357,000, he said, while this year's expenditures will amount to \$420,000, making a deficit of \$63,000. Ontario grants of \$250,000 will have to be renewed this coming year.

The valuation of the real assets of the university, not counting the approximate sum of \$2,000,000, includes everything. Land at University College was worth \$500 an acre.

The new buildings the university had been made possible by grants from the government, \$100,000 to the medical school, \$800,000 to the arts and sciences, a grant from the city to the arts of \$250,000, of Middlesex county to arts of \$100,000. In all the government had given \$1,000,000 for the new buildings. Private subscription and gifts had added \$250,000.

Since Col. Brown's advent the books of the various faculties, once separate, with several budgets, have been co-ordinated.

Costs Increasing. Costs for instruction and equipment were soaring, because of greater demands by an increased standard in the medical school and enormous enrolment of students.

At present, Col. Brown said, stressing needs, "we want more buildings. The present buildings are overcrowded. We have no room for classroom space to let better advantage. While Londoners have made every effort to give accommodation, students are being turned to other universities because of our lack of dormitories."

"We need, also, a stadium. Western is picking up rapidly in athletics and gymnastics. We have two fine playing fields and one of the best cinder tracks in the country. We need a stadium to provide dressing rooms, shower baths, seating arrangements and so forth."

"We further need endowment funds to be used for other purposes than scholarships. The province is peculiarly a provincial university. Western is also peculiarly a provincial university. The province years ago took the responsibility of keeping Western up. We are not asking the province, more than that it give every boy and girl in Western Ontario their just right."

Over John Deerness vice-president of the alumni, occupied the chair in the absence of R. E. Crouch, president.

EXETER VETS TO PARADE

Veterans of War Will March in Body to Anglican Church.

Special to The Advertiser. Exeter, Nov. 6.—The great war veterans will parade to Trinity Memorial church on Armistice Sunday, Nov. 8. They will fall in line at R. N. Rowe's store at 10.30. The Exeter band will lead the procession. Following the morning service, a memorial service will be held in front of the soldiers' monument at 12.15. Veterans from the surrounding district will join the activity.

ECZEMA WAS SO BAD COULD HARDLY SLEEP

Mrs. G. Jones, Kitecoy, Alta., writes: "I had eczema on my left hand, and my first finger was so swollen, sore and itchy I could hardly sleep at night."

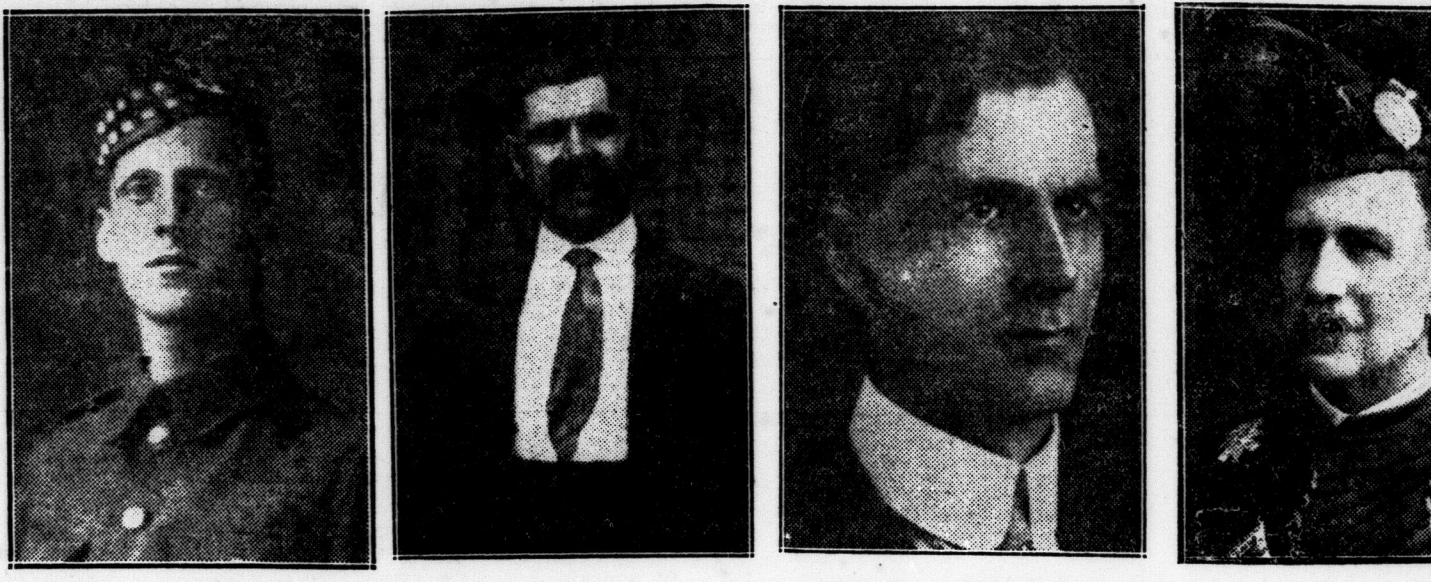

"I got a prescription from my doctor, but it did me no good, so I finally began to take

Burdock Blood Bitters.

After I had taken three bottles I was completely relieved of my eczema, and would advise any one suffering from any disease of the blood to use B.B.B., as it's worth its price many times over."

This valuable preparation has been on the market for about 47 years, put up only by The T. Milburn Co., Limited, Toronto, Ont.

Big Things Expected of New St. Andrew's Officers

SOME OF LEADERS IN WORK OF LONDON ST. ANDREW'S SOCIETY. Much of the success of the work of the St. Andrew's society of this city are shown above. Left to right, they are: William C. Noble, secretary; John Michie, president; Rev. W. H. McIntosh, chaplain; and J. H. Mac-

ST. ANDREW'S SOCIETY LINKS SCOTS THE WORLD OVER, EXPANSION IN CITY PLANNED

Energetic Officers Plan Big Program For 1926 and Extensive Social Activity For Coming Winter Season in London—Officers Are Elected.

With plans now well completed for an intensive drive for new members to be instituted soon after the beginning of the new year, the St. Andrew's society of this city is looking forward to 1926 being the most productive and resultful period experienced since this progressive body first became one of London's leading fraternal organizations.

Every individual elected to the various offices for next year has in the past showed marked ability, both in the matter of organization work and in carrying on the social activities of the society, and from the facts it is predicted that the coming year will be an extraordinarily successful one.

The officers are: Hon. president, C. C. Ferguson; hon. first vice-president, Rowland Munro; hon. second vice-president, R. M. Smith; president, John Michie; first vice-president, J. H. MacIntyre; second vice-president, G. Slater; treasurer, G. Overton; secretary, W. C. Noble; assistant secretary, H. McColl; minute-taker, J. Potts; physician, Dr. M. C. Dewar; chaplains, Rev. W. R. McIntosh and Rev. J. H. MacIntyre; pipers, R. Russell, J. Hamilton, T. McDonald; auditors, James Haidane and J. Watson; bard, J. H. MacIntyre.

The society is at present laying out an extensive program of social activities for the winter season, chief among which will be the annual banquet on Dec. 1, and the annual concert on Jan. 25, the birthday of Robbie Burns. It is intended to commence the membership drive work after the latter.

Members Welcomed. In this regard the president, Mr. Michie, wishes to emphasize that every Scot in the city will be welcomed into membership in the society. It is the aim of the officers to have at some time in the not far distant future every Londoner from the land of mist and heather enrolled in their organization.

"The St. Andrew's society knows no borders, and is the binding link between brother Scots the world over," said W. C. Noble, secretary of the local branch, this morning. "In this city since 1860 the society has been true to its motto—to cultivate a kindly feeling among Scotsmen and their descendants, and to foster and perpetuate an interest in Scottish music, history and tradition."

"The outstanding work to the credit of the St. Andrew's society in recent years has been the successful completion of the new hall, which has been a great boon to the society, and a building whose presence will enable the members to carry on in an even larger manner their present program of service to one another and benevolence to the needy."

HUPP SIXES, EIGHTS TO BE HANDLED HERE

H. C. Chisholm Has Arranged To Sell and Service Popular Line.

Local motorists and prospective motorists will be interested in the announcement in this issue informing the local public of the new Hupp motor cars, which will be sold and serviced by H. C. Chisholm, Dodge Brothers' dealer, and has arranged to sell and service the popular Hupp Sixes and Eights from the same garage, at 72 York street, between Talbot and Ridout.

A cordial invitation is extended to all Hupp owners and motorists interested in the new line of cars.

WELLBURN UNION CHURCH HAS ANNUAL FOWL SUPPER

Three Hundred Enjoy Chicken Dinner and Hear Entertainment.

St. Marys, Ont., Nov. 6.—An event long looked forward to by residents of St. Marys and this district is the annual fowl supper and entertainment held in the Wellburn United church. This year was no exception to the rule, a splendid banquet being provided and enjoyed by some 300 people. Following this a very pleasing and delightful program was presented in the church auditorium by St. Marys talent, including Misses Bernice Lancaster, Lillian Smith and Olive Spearman. Mrs. L. B. Avery and Messrs. E. Price and F. Mack. The event was a great success as in previous years, and a large sum was realized.

GLENCOLIN WOMAN DIES

Aged Pioneer of District Will Be Buried Sunday. Aylmer, Nov. 6.—The death of Sarah Jane Roy, beloved wife of John Roy, occurred at her home at Glencolin on Thursday, following an illness of but a few weeks. She was in her 66th year and was born at Sparta, being a daughter of the late Samuel Pace, and spent practically all her life in this neighborhood. Mrs. Roy was a member of Trinity United church, Glencolin. Besides her husband she is survived by one daughter, Mrs. Charles Blake, R. R. No. 4, Aylmer, and one brother, George Pace, of Elgin, Pa. The funeral will be held from her late residence on Sunday at 2.30 p.m. to the Trinity cemetery, Glencolin.

Dolls Now Match Milady's Dresses

Associated Press Despatch. London, Nov. 7.—The latest fad of some of London's fashionable young women is to carry dolls dressed exactly as they themselves are. These dolls' clothes are changed morning, afternoon and evening, each time the owners change. At a dance at a leading hotel recently, thirty girls carried such dolls.

WILL NOT COME EAST, SAYS REV. BINGHAM

Former London Baptist Minister Will Remain at Calgary Church.

No intimation has as yet been given regarding the appointment of a minister at Talbot Street Baptist church in succession to Rev. Bowley Green, D.D., who resigned some weeks ago to assume a Toronto pulpit.

From comments made by Rev. H. H. Bingham, D.D., of Calgary, to his congregation after his return to the west from a visit in Ontario, during which time he preached at Talbot street church, of which he is a former pastor, and to which it was then reported he was invited to return, it seems certain that Dr. Bingham does not intend to accept an eastern pulpit at present.

Dr. Bingham stated to his congregation in Calgary that he had received numerous invitations by churches in the east, but that the warmth of the greeting extended to him by his congregation upon his return had led him to make up his mind to remain in Calgary, at least for the time being.

The committee appointed to act in connection with the selection of a new minister at Talbot street church includes: Rev. James Hamilton, R. Iverson, J. Douglas, H. W. Peel and L. M. Munroe.

"INDISCREET ATTIRE" DISCUSSION CLOSED

Rev. E. A. Pearson Declares Remarks Not Directed at Walkerville School Alone.

Discussion of the question of "indiscreet attire and conduct at indoor girls' games at colleges," as far as Rev. E. A. Pearson, B.A., Dundas Central United church, formerly of Walkerville, is concerned, is closed.

Mr. Pearson stated this morning that he had received a letter from Robert Meade, principal of the Walkerville high school, asking for an explanation of an article appearing in the Border Cities Star, quoting Mr. Pearson as having directed his remarks solely at the Walkerville school, which, of course, was not the case at all.

"I intend to write Mr. Meade a personal letter," observed Mr. Pearson, "but there will be nothing in it worth publishing. I am satisfied to stand by just what happened and to let it go at that."

FORMER "Y" DIRECTOR TELLS OF BORDER WORK

George R. Sinclair, former popular physical director of the local Y. M. C. A., was a visitor in the city yesterday. This year Mr. Sinclair is the director of the physical department at the Y. M. C. A. in Windsor.

He took over these new duties on the 1st of September last, and although the association buildings are still under construction, Mr. Sinclair reports that an active program is already under way. Progress is being made in all departments of the work, and elaborate plans are being fostered for the initial opening of the new building in January of the new year.

The members of the Y. M. C. A. in the Border Cities are also actively associated with the new institution. They will be given the use of the gymnasium three nights a week, and the success or the failure of this plan will only be known after it has been given a fair trial.

CITY CLERK TO BE SPEAKER. Local Kiwanians at their next regular meeting, Friday, Nov. 13, are to be addressed by City Clerk Baker, his subject being "Municipal Government." The subject is a timely one at present and his address is awaited with much interest.

PARISH HONORS REV. WM. LOWE

Retiring Minister and Wife Are Guests at Reception at Home of Warden.

Marking his retirement as rector of St. John's Anglican church, London township, Rev. William Lowe was the guest of honor at a recent reception tendered in his honor and that of Mrs. Lowe also, at the home of F. B. Hodgins, warden of the parish, 7th concession.

Words of hearty appreciation of Mr. Lowe's work on behalf of the parish were voiced by several speakers. The congregation expressed its thanks in the presentation of a gift, accompanied by the following address:

"On behalf of the parishioners of the Church of St. John, in the township of London, we hereby express to you our profound sorrow that age and health considerations compel you to relinquish the rectorship of this parish. In doing so, we desire to place on record and in your hands some testimony of our appreciation of your ministry among us."

"You have been to us a true shepherd, caring for us and sympathizing with us in our joys and our sorrows. At the same time giving us an example of devotion to our Lord and Saviour, ever leading us onward and upward to Him, both by your preaching and living."

"We appreciate your efforts to beautify the church building, the parish and your care for the cemetery. We also appreciate your efforts to lead us to greater support of the Lord's work beyond our parish, and while regretting that while we have not quite come up to your expectations, yet we have done better under you than ever before."

"We also desire to express to Mrs. Lowe our great appreciation for all she has done as your fellow laborer. In helping you she has also helped us all."

"We wish you both many years to enjoy together, in the evening of life,

Nature Offers This Laxative

Dr. J. H. KELLOGG'S BRAN

cooked and toasted, is the best prepared food laxative and health giver on the market.

It was originated by Dr. J. H. Kellogg, the leading dietitian of America, and is used and endorsed by the great Battle Creek Sanitarium.

It is approved by doctors, and guaranteed to lessen stomach troubles and relieve constipation.

It may be used alone with cream or with any other cereal; with soda biscuits or beverages.

The free use of this natural food laxative gives a clear and efficient mind, owing to thorough elimination of intestinal poisons, making the use of irritating cathartics unnecessary.

For the same reason it also postpones old age, hardening of the arteries, etc.

The high percentage of vitamins, lime salts and tissue phosphates contained in this food adds greatly to its bone and nerve building properties.

Beware of imitations. Order a package today. It will pay you many times over.

Look for the red seal and the picture of the Battle Creek Sanitarium to identify the genuine.

Good Health Food Company, Ltd.

FUSILIERS HAVE ENVIABLE RECORD

Local Regiment Will Be Inspected by General King Next Friday.

Gen. W. B. King, C.M.G., D.S.O., officer commanding military district No. 1, will next Friday evening inspect the Canadian Fusiliers, city of London regiment. This unit, post-war successor to the old 7th Regiment, which brought so much fame to London, is generally considered one of the finest militia units in Canada. Under the present officers the regiment, comprising some 200 men, has been brought to a high state of military efficiency. The majority of the men are war veterans, and not a few saw many years of service with the old 7th. There are, however, many young men who, impressed with the value of military training, have received their first taste of it with this regiment.

The unit drills each Monday evening and there is always an interested crowd of citizens to join with the snap and precision with which the unit does its work. Each Monday evening there are always several young men anxious to join with the regiment. If the applicant is of good character, and likely to make a good militiaman, he is accepted. There are, however, a few vacancies in the regiment for "rookies."

Much credit is due to the efficient staff of officers, under whom the regiment has been brought to its present high state of efficiency. Chief among these is Lieut.-Col. G. W. Little, M.V.O., M.C., who is in command of the regiment. Major A. H. Munro, M.C., is second in command, while Col. William Beattie, C.M.G., is chaplain. Major G. A. Ramsay is medical officer. Officers of the regiment are as follows: Major, J. S. Radwin, M.C.; Lieut. H. G. Matthews, R. Farjon, G. F. Hamby, G. Magill, M.C.; B company, Major H. Bingle, Capt. E. H. Amundson, Lieut. W. Whittle, W. P. McLean, A. B. Douglas, F. McMillan; C company, Major A. G. Fraser, Capt. G. A. Gerald; Lieut. L. E. Row, E. G. Perkins; D company, Major C. W. Butler, Y.D., Capt. R. H. Beattie, Lieut. H. H. Bennett; adjutant, Capt. M. W. Minihnick, M.M.; Assistant Lieut. C. Y. Donaldson, signal officer, Lieut. W. J. Fitzpatrick; paymaster, Lieut. J. W. Smith.

The regiment takes an active part in all militia sports. Every week in inter-company rifle matches are held in this militia range in the basement of the armories.

WOMAN FOUND UNCONSCIOUS ON HAMILTON ROAD LAWN

Suffering from a severe dizzy spell, Mrs. John Dillon, 268 Giles street, was found in an unconscious condition last night, lying on a Hamilton road lawn. Passersby, who discovered her, took her to Tack's grocery store at 796 Hamilton road. She was later removed to Victoria hospital in the police ambulance. Mrs. Dillon's condition showed marked improvement after she rested at the hospital and she was able to leave the institution late last night.

a well-earned rest after your many years of active and successful work. "We, therefore, ask you to accept this little gift as a token of our appreciation of your work among us."

Mr. Lowe, who is also retiring from the active ministry of the Anglican church, is being succeeded by Rev. S. E. McKegney, B.A., M.C., Ford, who will take charge of the parish during the next few days.
