CHARLES A. VERNON. B.C. STEAM DYE WORKS.

(From Friday's Daily.) Loyal Dawson Japs.—A war \$1,800 has been collected in and on the neighboring creeks Japanese in Dawson and forw the minister of war to go into eral fund. One of the Dawson ese also expects to go to fight.

Railway Rumblings.—The Northern's new Kootenay tarifinto effect on July 9th. It mal son and Rossland distributing The big transcontinental railwa considering a tariff governing from the Old Country.

Railway Commission.—It is an Railway Commission.—It is an that the railway commission ed by the Dominion governme that the railway commission to be commissed by the Dominion governme that upon its tour of investigation when the middle week. It will visit all the in points in Manitoba and the Tempoints of tunity to be present.

Hayes' Mine to Open.—It is ed that the Hayes' mine, sound, is to start up again. A capital has been interested, an said a company has been formed is prepared to expend \$60,000 property. The mine has remain touched for the past year or so. closed down just at the time vhad reached the shipping stage development. Should it be rebusiness at Alberni will again pand the trade of the coast will improve. This is what is desire with a half a dozen mines runn the coast a wonderful impetus be given the commerce of this of

The Loss Assessed.—The adju of the losses sustained through of the cent fire at the Driard hotel i completed and on Monday the wrepairing the damaged portions building will be commenced. M Harrison expects to have this completed in a comparatively shor and if anything the hotel will better shape after the work is than it ever was before. The tary dining-room, a very handsome ment, is now in running order. Walter Borns has rejoined the st the office.

Yukon Gold Output.—This yes to June 30th, the Yukon has promore gold than for the same last year. Official figures for the year are as follows: 1903—Jar \$55,995,00: February, \$82,9 March, \$41,050.65r. April, \$40.6 May, \$173,781.00; June, \$3,3 1904—January, \$85,895.55; Febr \$107,417.10; March, \$138,740.40; \$60; May, \$836,606.10; June, \$2598.70. Totals—1903, \$3,718.96 1904, \$3,886,317.85; Increase in over 1903, \$147,352.75.

New Creek Discovered.—Late from White Horse is to the effect a new discovery has been made miles further westward than K lake. The creek has been named wash, after the mining recorder in district. Capt. Irving, who was on lion when the discovery was repolas gone over to the new find. ports from Bullion and Sheep crare encouraging, and from discoclaim at least a good clean-up will made before the end of the season

and opened up big quantities of tite iron. Both properties show ingly well, and their pros

Tyee Copper.—According to the onial Goldfields Gazette, the reporthe Tyee Copper Company, Limited the year ended 30th April, 1904, subted at the meeting in London on 7th inst., states that developments the mine during the past year been satisfactory, in so far that have proved that instead of having eral small ore bodies, the company one large body traversing the warms and the mine during the past year been doubled in capacity during past year and is now able to con 200 tons per day to the railway. For office and loss account shows a prof £25,390 for the year, out of which the directors recommended a final dend of 5 per cent., making 10 per comission and mines development counts, which have been charged agair revenue, have been invested under head of reserve fund. The genemanager's report states that the smel at Ladysmith has put through a to ore tonnage of 56,050 tons during year under review, and from this the have been shipped 5,454 tons of copmatte, containing 4,346,887 pounds fine copper, 143,303 ounces of fine yer and 8,788 ounces of fine gold, total value of which, less refinicharges, amounted to \$678,836.

(From Saturday's Daily.) very encouraging.

(From Saturday's Daily.) G. T. P. Circular.—An interesting a valuable circular, descriptive of the tritory through which the Grand Tru Pacific railway will pess, has just be issued. A hard is given showing entire route of the road.

Interior Fruit andastry.-Mr. Ster Interior Fruit industry.—Mr. Steriof Kelowna, who has the largest from the distriction of Kelowna would be a fone this year, larger than the last; fact, there was a gradual increase every ear and the Okanagan valley was ingright ahead.

Nanaimo Coal Lost.—The Evar Coleman & Evans Company are tosers of about 270 tons of coal throut the upsetting of a loaded barge it Tuesday night in the Gulf. The bar was in tow of the tug Erie, and wattempting to weather a rough sea so distance out from Nanaimo, when taccident happened. The upturned bar was towed into port and is now lyi at Evans, Coleman & Evans' wha Vancouver.

Mount Sicker Notes.—Mr. Belling of the Crofton smelter, is bringing back from the East an automobile. Some of the horses of the Cowich valley have only now got used to the bicycle, it is not at all unlikely the his first tour over the elegant roa of this valley will be the first ver of the first chapter of "accidents." The new wire cable for the Tyee aeritramway has left St. Louis. On arrival it will be installed with the greatest speed possible. "No delay" the motto of the mine managers, and it has no parallel. A firm and stead shipment of ore daily leaves Tyee sidin for the Ladysmith smelter, also paproperty of the Tyee Company.

Strike Affects Output.—It is reporte from the Skeena that the run of salmo is very great this year. Fishermen ar taking from 160 to 400 fish to the boa Depending upon the Japanese an Chinese alone to pack will not, it said, be more than a third what should have been. It is now impossible to get the Indians, and, therefore, the catch must remain small. The Indian at first asked, for 10 cents a fish. The canneries would pay only seven cents
