IN CREAT VARIETY. I suffered for a year with inflamma-tion in my left eye. Three ulcers formed on the ball, depriving me of sight, and causing great pain. After trying many other remedies, to no purpose, I was finally induced to use Ayer's Sarsaparilla, and, Scotch and Canadian Tweeds:

My daughter, ten years old, was afflicted with Scrofulous Sore Eyes. During the last two years she never saw light of any kind. Physicians of the highest standing exerted their skill, but with no permanent success. On the recommendation of a friend I purchased a bottle of Ayer's Sarsaparilla, which my daughter commenced taking. Before she had used the third bottle her sight was restored, and she can now look steadily at a brilliant light without pain. Her cure is complete. — W. E. Sutherland, Evangelist, Shelby City, Ky.
