A young married lady under treatment for chronic womb disease was speedily relieved, able to be about as well as ever in 4 weeks. A middle aged lady suffered from neuralgia of the heart many yoars so she could scarcely draw a long breath, never slept on the left side, sleep bad any time! Cured.

A lady deaf 15 years, could not hear a watch; after five minutes' manipulation heard well. She presented the doctor with a valuable Bible in gratitude.

Dr. Lemon is the only regularly educated and legally qualified physician in the world who goes on the stage and in full view heals the sick.

neet with us. JOHN BAILIE, FIREPROOF BUILDING MATERIAL

Dr. Stephen Smith, an eminent physician of New York, Vice-President of the National Board of Health, and late State Commissioner in Lunacy, after a critical examination of Terra Cotta Porous Ware, strongly recommends its use in hospitals, asylums and similar institutions, as "it makes a floor and wall that noise can scarcely penetrate, and capable of taking a linish which will be permeable to air, and may be washed and disinfected."

A recent test at the St. Lawrence Foundry, Toronto, shows that our 9 luch flat arch blocks, in a span of four feet, sustained, without any indication of weakness, 454 bbs. of metal on one square foot of surface.

Architects are recognizing the value of this material, our latest endorsers being: R. A. Waite, Esq., of Buffalo, N. Y.: Messra. Brown & Love, Toronto; John J. Brown, Esq., Montreal, and Messra. Knox & Elliott, Toronto.

Our latest orders are from the Bank of Commerce (now building), Toronto, the Royal Insurance Co., rebuilding Head Office, Montreil, the Imperial Fire Insurance Co., new offices at Montreal.
