The death of Miss Annie Short, of
Digby, occurred at Bear River on
Thursday of last week, after a
few days illness.

Largely signed petitions from
several counties were read in the house
of commons last week, asking for
road money to be used for the
roadside shade trees and the grove on
the school grounds which are un-
usually fertile sources for the scattering
of the soil.

A few dollars of public money
voted in early spring, would we
believe, destroy the caterpillar
plague that is doing so much damage
to the maple trees in the
vicinity of the school grounds in a
number of years past.

The Nova Scotia tourists'
association is again taking up the
"Old Home Week" project which
