

### A Fruit Farm and Vegetable Greenhouse and Garden Near Leamington, in Essex County, Ont.

On page 315 of this issue appears an interesting interview with Mr. J. D. Fraser, of Leamington, Ont., who has gone in for the raising of vegetables for the early markets on an extensive scale, and whose greenhouses are here shown. Mr. Fraser has six houses, part glass and part cotton, 210 feet long by 10 feet wide; two 150 feet long by 9 feet wide, and one 167 feet long by 31 feet wide. He has made an invention which enables him to drive up beside his greenhouses and throw in or remove dirt through the sashes. The illustration shows some of these sashuk open.
