## SUMMARY OF INTELLIGENCE.

### ECCELESIASTICAL AND MISSIONARY.

ANNIVERSARY MEETINGS.—During the past month, the Tract, Sabbath Reformation, Auxiliary Bible, and Auxiliary French Canadian Mission Societies of Kingston, held a most interesting and successful series of meetings in that city. On each evening, the City Hall was densely filled. A pleasant feature of these meetings was the presence and hearty co-operation of the clergy of the Church of England in Kingston. We mention this circumstance, as it is unfortunately of rare occurrence. Besides the local speakers, the Rev. Lachlan Taylor addressed the Bible meeting, the Rev. D. Fraser of Montreal, the French Canadian Missionary meeting; and the Rev. R. F. Burns, of St. Catherine's, delivered a lecture to the Young Men's Christian Association on "The character of the Apostle Paul."

At Montreal, the week of similar anniversaries has been one of great mental and spiritual privilege. The Reports of the Societies have been satisfactory; and the speaking in general of a high order of excellence. The interest was much heightened by the presence and addresses of the Rev. Lachlan Taylor of Toronto, the Rev. Dr. Schauffer of Constantinople, and the Rev. Mr. Scudder, formerly an American Missionary in India.

KNOX COLLEGE, TORONTO.—This inestimable Institution is seriously embarrassed by lack of funds. To pay off its debts, and maintain itself, it requires nearly £1700. All congregations and stations of the Presbyterian Church of Canada are required to take up subscriptions for this object, before the 1st March. It is estimated that an average contribution of half-a-dollar from each family connected with the Church will suffice to raise the above sum.

PRESBYTERIAN UNION IN CANADA.—A deputation from the Presbytery of London, C.W., connected with the U. P. Church, recently attended the meeting of the Presbytery of London pertaining to the Presbyterian Church of Canada. The most cordial fraternal greetings were exchanged, and a Deputation was appointed to return the visit.

The Presbytery of Montreal have also appointed a Deputation to attend the first meeting of the U. P. Presbytery there, and to present their affectionate salutations.

OPENING OF NEW CHURCHES IN GLASGOW.—On the same day two new Churches were recently opened in the West end of Glasgow—one connected with the Free Church, the other with the Establishment. The former is the Free College Church; and Dr. Bobt. Buchanan has been translated from the Free Tron Church to be its Pastor. The opening services were conducted by the Rev. Dr. Candlish of Edinburgh in the morning, the Pastor in the afternoon, and the Rev. Dr. S. Miller in the evening. The collections amounted to £345. The other Church referred to is the Park Church, to assume the
