

CAN some of our Canadian theosophic philatelists make up a complete set of Canadian postage stamps for the London collection? Mr. Adams makes the request, and THE LAMP will be glad to assist. With those rare old colonials in view we fear a complete set is hardly to be expected; however, let us try. Cancelled specimens are of course acceptable.

THE CIRCUIT of the Crusade approaches completion. Even now with homeward prow ploughing the Pacific waves the steamer bears the little party dawnwards. On their arrival in California next month the site of the School for the Revival of the Lost Mysteries of Antiquity will probably be dedicated. It is understood that the building will be of Greek design.

BY INVITATION of the Socialist Labour Party, Mr. Smythe addressed a large and most intelligent audience in Alice Street Hall, on Sunday afternoon, 3rd inst., on the subject of "Selfishness and what it has done for us." The selfishness of having and getting was contrasted with the Selfishness of being. The regeneration of society was shown to depend on the regeneration of the individual.

ON THE 20th inst. Mr. Smythe will leave Toronto on a tour among the Branches in New York and Pennsylvania. Among the places likely to be visited are Buffalo, Warsaw, Rochester, Syracuse, Rome, Utica, Corinth, Yonkers, New York and Brooklyn, Newark, Hackensack, California, Pittsburgh, Wilkesburg, Warren, Corry, and Jamestown, returning to Toronto on the 13th February.

MRS. CAMILLE W. SEWARD is working up a centre in St. Joseph, Mo. Theosophists who have friends there would do well to write to them and suggest their taking an interest in the movement. This idea can and ought to be put in operation in other places. A copy of "Elementary Theosophy" or a similar tract enclosed will awaken interest among many who have never yet been brought face to face with theosophy.

IN HAMILTON on Wednesday evening, 6th inst., Mr. Smythe lectured in Green's Hall on "The Common Sense of Theosophy." The attendance was very good, an increase over the last occasion. Many questions were asked at the close, especially by one gentleman, who feared that occultism was simply priestcraft in a new dress. After the meeting some fifteen members of the study class and other friends remained for an hour for further discussion and questioning. Mr. Gatenby is president, and Miss Waugh secretary, for this centre.

THE LAMP is only sent to paid subscribers, so that persons who receive it regularly and who have not themselves subscribed, have been paid for by some friend. THE LAMP need not be refused through fear of the U. S. newspaper subscription law. We drop subscribers' names from our list immediately on expiry of subscription. If you wish to receive THE LAMP regularly renew your subscription at once. Subscriptions are reckoned from the first number issued after receipt of order; if you want any back numbers, and very few remain, they will cost five cents each. We cannot include back numbers in yearly subscriptions. Remittances should be made in postage stamps (U. S. or Canadian) for sums under one dollar. Bills or postal orders are preferred for larger amounts. There is no sense in paying for a postal order for 25 cents.

THE MULTIPLICITY of theosophic magazines in the present day has many times been forced upon our attention. THE LAMP, which was designed origin-
